## **PLANNING MATTERS**

There are no planning applications or determinations to report this month.

---

## **POLICE REPORT**

The written police report for September included one incident of violence.

Residents have reported drug issues around Woodside View and the Playground. They are advised to contact the police directly. The more reports that are made increase the likelihood of patrols and this becoming a local priority.

Residents are advised that reports can be made to the Police via 101 or you can contact our local PCSO direct

## **STREET LIGHTS**

A request has been received from a resident for an additional street light in the Parish but this application has been refused by Derbyshire County Council.

New lights will only be fitted where there's a night-time casualty record, evidence of high levels of night time antisocial behaviour, or where justified as part of other measures to improve road safety.

The specifications can be read on the Derbyshire County Council site

## **FOOTPATHS**

The Parish Council have reported a number of footpaths that are currently not accessible due to overgrowth, crops, ruts and manure heaps. We hope that this will improve conditions for walkers. If you discover an issue with a footpath, these can be reported direct to the Rights of Way team at Derbyshire County Council.

There is an online form available at

[www.derbyshire.gov.uk/leisure/countryside/access/rights-of-way/faqs/obstructions/obstructions.aspx](http://www.derbyshire.gov.uk/leisure/countryside/access/rights-of-way/faqs/obstructions/obstructions.aspx)

## **DRONFIELD POLICE SAFER NEIGHBOURHOOD TEAM**

**September Crime Figures:** Violence Against the Person: 1.

There are no concerns regarding recent crime figures as there are none of concern to the community and directly linked to individuals.

We are keen to promote our speedwatch initiative and it would be great for more people to be involved with the scheme. If anyone is interested get in touch and we can give you more information.

The road outside Holmesfield Penny Acres school is a reminder of how important it is to be aware of your speed, as the school is situated on a 30mph road which changes to the national speed limit close by.

The team spent a couple of hours on Friday 6th October with the infants, juniors and some of the teachers at the school checking the speeds of the cars that went past.

When cars were found to be exceeding the limit the children held up red paddles with a thumbs down picture. The children were also given the opportunity to hand over their handmade speed awareness letters to the drivers of the vehicles that had been pulled over, whilst putting on their best sad faces.

When drivers were found to be going the correct speed, the children held up green paddles with a thumbs up picture and celebrated by cheering as the cars drove past.

The children loved this activity (nearly as much as the staff) and they have shown a keen interest in encouraging adults to do the right thing – especially the ones dropping them off and collecting them from school.

Our rural project continues and we are keen to access any rural community groups within the area.

Anyone wishing to join the lottery can do so by contacting Penny Acres School for an entry form. It is only £1 per month per number with no restrictions on the amount of numbers you have, so the more numbers you buy, the greater your chance of winning!

## **GLOW! : HOLMESFIELD YOUTH CLUB**

Glow! Youth Club has been gifted a new pool table and some craft kit - thanks to all those who supported the Holmesfield Local Market recently.

This last month has seen activities for Dyslexia Awareness Week, National Grouch Day, and most recently, we welcomed Johanna Stroud to lead us in Beatboxing and singing for National Singing Week! We really do have a fun packed and varied programme for those who wish to join in!

Next term we will be connecting live to Parliament with our local MP Lee Rowley as part of UK Parliament Week and welcoming back the Extreme Wheels Roadshow indoor team.

From 6th November until Christmas our sessions will run weekly - every Monday from 6.30pm-8.30pm. Open to all local young people in school years Y7-Y13. Free to join in - we also have a cash only tuck shop.

We are looking for some adult volunteers to help out occasionally after Christmas as Megan and Elliot are having a baby! You'll need to be able to help us set up and pack away. We will provide a DBS and safeguarding training to suitable volunteers. These are fantastic young people and it will enrich your own life to get involved!

Please give me a call to chat it over.

## **HOLMESFIELD PENNY ACRES SCHOOL**

Dear friends of Penny Acres Primary School.

Further to my article in a previous edition regarding our very positive Ofsted report, it was great to see that the *Derbyshire Times* wanted to write an article celebrating that both schools in our Federation (Penny Acres & Wigley) have received positive reports in the past 18 months. I am incredibly proud of all of the staff, pupils and wider school communities for the service that we provide – a service which has made both schools increasingly popular over the last few years. With our numbers being the highest they have ever been and with families traveling from far and wide to be part of our schools, we look forward to what the future holds and will continue to strive to provide the best possible educational experience for our pupils.

***If you get chance, search the Derbyshire Times website for the full article.***

In other news, are you in need of a new bird box? If so, one of our Y6 pupils, Wilfy Hill, is who you need to get in touch with. With his usual entrepreneurial spirit, Wilfy has established a small business called 'Country Wood Crafts' and is currently specialising in hand-crafted birdboxes. The quality of his work shines through and orders have been coming in thick and fast. He has even managed to get a local garden centre to stock his products. Well done Wilfy, we're proud of you! Wilfy's achievements recently featured on the Holmesfield Support Network Facebook group.

In other Wilfy related news, we are going back to the old school with the Penny Acres Lottery. Earlier this year, Wilfy designed and built a new Tombola for us. Instead of having this sat in the shed, only coming out on Summer Fair days, we have decided to replicate the National Lottery with numbers on balls being drawn from Wilfy's Tombola. All of the numbers that have been sold will be poured ceremoniously into the 'machine' before being drawn by the children. I am sure that this will bring another level of excitement to our lottery draws.

If you've yet to purchase your numbers, please get in touch with the school by email: [onenquiries@pennyacres.derbyshire.sch.uk](mailto:onenquiries@pennyacres.derbyshire.sch.uk)

Kind regards.

Mr Ratcliffe – Executive Headteacher.

## 2023 Market Dates for your diary!

**Come & Support**  
Lots of fantastic stalls,  
new and regular stall  
holders.

**The Angel, The Village Hall, St. Swithin's Church Hall.**  
Three great venues to visit lots of great products

## **HOLMESFIELD LOCAL MARKET UPDATE**

We are pleased to advise that our October market was a big success and we would like to thank everyone in the Village that came. We had more stallholders and more visitors than ever before. The weather on the day, of course, helped enormously, especially as the few days before the market saw heavy rainfall. Although we did actually see a little rain towards the end of the market for the most part it was blue skies and warm sunshine.

The next market isn't far away already, being on 2nd December, so please put it in your diaries. Just like the October market it will be really busy and full of fantastic stallholders.

We are grateful to the trustees of the Holmesfield Chapel Lands for again letting us have the use of the field at the rear of the Church car park. As the market has grown the field has become invaluable as an overspill car park and, such was the success of the October market that at one point there were over 60 vehicles parked in the field! A good many more came and left on the day and we are indebted to our volunteers who manned the car parks and managed the traffic. They really did an incredible job in ensuring that everyone came and went safely, as did those helping the stallholders pack and unpack their stalls. Thanks also to the residents on Park Avenue for putting up with the disruption on the day. We know it is not easy for you and we are grateful for your co-operation. Finally a big thanks to our Vicar, Reverend Ian, and the Church for their contribution to the market via free use of the Church Hall on the day. A gesture that is very much appreciated.

As you might have gathered from this article, the market is very much a community market, reliant on the organisations and people within the village. Some of these just lend a few hours to help us, others have more time on their hands and can do more. Some just get involved on the day, others lend a hand with the planning or administration. Whatever you feel you can do to support us then please do let us know. Your local market needs YOU !!

## **HOLMESFIELD VILLAGE SOCIETY**

Hi all and Happy Autumn!

I hope that you have been enjoying the Autumn weather even if we did get rather more rain than we are used to! I hope you all weathered storm Babet safely.

As I write this, we are putting together the Village Pumpkin Trail for this year. Last year our lovely village looked great dressed up for Hallowe'en and many villagers enjoyed this now annual event. We hope to beat the number of pumpkins out on display last year – 32 – and we are keeping everything crossed for a dry and spooky night!

November is a time for personal reflection and national gratitude for those who fought to protect our freedom. The Holmesfield Village Society team will be putting poppies up throughout the village once again this year and some poppies will be dedicated to those lost by relatives in Holmesfield. To see a name on a poppy is especially moving and reminds us why, as villagers, we make this modest gesture each year. Our gratitude goes to Kirste and Carl Farrell once again for helping to organise the poppies being displayed – thanks to all those who helped to put the poppies up.

After Remembrance Sunday we will then be headlong into our Christmas activities. The Village Society team will be putting up and decorating the Village Christmas tree in the Millennium Garden prior to the fantastic Christmas Market on 2nd December. Our lovely village Christmas cards will be on sale at the market. You may recall we ran a competition earlier this year to find beautiful local winter scenes that we could turn into Christmas cards and I am delighted to say that two designs have now been printed. These are available at £6 per pack or 2 packs for £10 and these can be delivered direct to your door! All the monies raised from the sale of these cards will be ploughed back into village projects and activities. It's easy to buy a pack - simply visit the Angel Inn, Rutland Arms, ring Helen Geary on 07843 629272, or email: [holmesfieldvillage@gmail.com](mailto:holmesfieldvillage@gmail.com).

**Saturday 11th November: Fungi Survey** with Ziggy Senkans. This is a joint event with Sorby Natural History Society. Start 10.30am at Totley Hall Lane entrance. Participation in the full survey could take 4-5 hours so suitable footwear and a packed lunch is recommended.

**Friends of  
Gillfield Wood**

**Practical Conservation Morning:** Sessions are open to anyone who would like to join in. Everyone needs to provide their own gloves along with suitable clothes and footwear. Everything we do supplements the work carried out by the Council's woodlands team, meaning much more can be done to improve the wood for its flora, fauna and visitors alike. Typical activities are coppicing, fencing and walling, tree and undergrowth management, path repair and drain clearance and all sorts of miscellaneous jobs.

We meet either at the Baslow Road bus terminus, the Scout Hut on Aldam Road, Totley or at the end of Totley Hall Lane. The work mornings are advertised on posters around Totley, in the local press and nearer the date are emailed out.

# HOLMESFIELD BYGONES

This month's photograph from the lens of W. "Harry" Hewitt of Dronfield is the quintessential Holmesfield village scene. The detail of the original Angel Inn are to be enjoyed as are its environs, especially the young family by the sheds with its period posters.

Situated alongside the Parish church, several commercial postcards of a similar scene have been produced over the years but none show the fine detail courtesy of this original glass plate negative.
