DRONFIELD POLICE SAFER NEIGHBOURHOOD TEAM

December crime figures:

Burglary: 1, Public Order: 1.

In Holmesfield whilst doing an estate walk with the Parish Council, it was noted about the recent success of increased activities for young people in the village and to encourage young people to attend the youth club - *Glow!* - and also *Extreme Wheels* which run regularly at Holmesfield Church Hall.

Speeding and parking was also raised as a concern within the area of Holmesfield and Millthorpe. We have also been contacted about parking near the junction of Main Road and Cowley Lane. We have highlighted this with the Parish Council and looking at possible solutions to this long standing issue.

Dronfield SNT will monitor the location and give suitable advice and take action when required. If any residents would like to get involved in the Speedwatch scheme please contact Dronfield Safer Neighbourhood Team for more information..

HOLMESFIELD CHARITABLE TRUSTS

The trustees of the Penny Acres Charitable Trusts are asking everyone if they know **why** we have our Trusts and **who** they are for ?

We are very fortunate in Holmesfield to have three Charitable trusts which are open to application by anyone living in Holmesfield.

The revenue for the Trusts comes from land donated in the 18th century on Cowley lane and later donations which are owned by the Charity Commission on behalf of the Penny Acres Charity.

The Trust supports the '*Educational Foundation*' which is open to anyone age 25 or under who, or whose parents are residents in the village. Over a period of many years grants have been awarded for the purchase of books and more recently towards computers and sports equipment.

The Trust receives regular applications and the Trustees are keen to encourage more applications to the '*Relief in Need Charitable Trust*' and feel the old fashion Victorian wording of the Trust may be putting people off making an application. The remit of the Charity is to relieve hardship, need and distress – a very old fashioned way of saying that these days, life can be difficult as the cost of living is increasing. Anyone over 60 who is a resident of Holmesfield can apply and there is no means test applied.

For further information, please contact the clerk to the charities.

Mrs Geraldine Austen on 0114 289 0686.

All applications are dealt with in strict confidence

HOLMESFIELD CHURCH WALKING GROUP

CHATSWORTH WALK

On **Wednesday 2nd March**, Robin Greetham will lead a walk starting from the Wheatsheaf pub in Baslow (DE45 1SR). The short walk goes to Chatsworth House and back. The longer walk goes to Chatsworth house then up the steps to the Hunting Tower and along the edge returning to Baslow via the Jubilee stone. Both walks will stop at Chatsworth for coffee.

There is not a walk in February but there are two walks in March, the second one is on 30th March- more details in next month's newsletter.

If you would like to come just turn up on the day.

The cost of the walk is £4 and the proceeds will go to Holmesfield Church maintenance fund. Please phone Robin on 01246 412767 if you have any queries.

HOLMESFIELD GARDENING ASSOCIATION

Happy New Year to all our members and friends. 2022 began on a very positive note with a talk from Mr. Peter Forrow from Holymoorside on '*The Gardening Year Part One*'. We were presented with plants for each season as the development of his garden was revealed as well as photographs of his prize winning Gladioli and tips on growing them.

On **Wednesday 3rd February**, the Association holds its AGM which is for members only. This will be when members judge the Hyacinth competition.

On **Wednesday 2nd March** we look forward to Mr Forrow's return when he will be giving the second part his talk on '*The Gardening Year*'.

On **Wednesday 6th April** Catherine Nuttgens, Sheffield City Council's Forestry Manager will be our speaker.

The Garden Association Trip this year will be on **Thursday 9th June** by coach from Holmesfield to RHS Bridgewater in Salford (see Parish Magazine for details nearer the date).

All our evening meetings take place at 7.30pm at the Village Hall except in the summer when visits to various gardens are arranged and whilst we continue under Covid restrictions, members and visitors will be asked to pay £2.00 for each attendance.

Members - please don't forget your Hyacinths !

TO ALL DOG OWNERS

Dog fouling issues are the worst they have ever been in Holmesfield. Most people take poo bags out with them and remove it, but others give all dog owners a bad name by leaving it. The irresponsible ones do not use poo bags, they go out under the cover of darkness and think picking it up does not apply to them. Some go out in broad daylight and leave a mess on footpaths used by the children on their way to school.

It is not in one particular place but in several areas in the village. The small minority of dog owners who do not clean up after their dog are putting children at risk of serious illness. It is not nice to step in it, push a wheelchair through it, drive a mobility scooter through it or worse fall in it.

REMINDER: It is against the law to allow a dog to foul in a public place and make no attempt to clean it up. The maximum penalty from a criminal prosecution in a court may be £1,000.

Please keep Holmesfield dog poo clean.

IS IT TIME TO COME OUT?

These days it's very hard to know who to trust. When we need to make important decisions, who do we turn to for reliable and trustworthy information that will help us make the right decision? We live in a society that is less trustworthy of those in authority and 'professionals' or 'experts'. One of the problems is that experts rarely seem to agree with one another, so how can us simple folk make sense of it?

One area of life where this is true is over Covid. There's lot's of facts, statistics and terms out there which if we're honest, we don't really understand. We have to rely on others to tell the truth - and that puts us in a vulnerable position. Some have become so sceptical of experts / the government that they've disappeared down the rabbit hole of conspiracy theories. Attempt to persuade them out of their delusion and you suddenly find yourself suspected of being part of the conspiracy!

The pressing question for some people now is, is it safe to come out? I know of quite a few elderly people who have spent all of the last two years in isolation, not venturing out at all. Having kept a close eye on all the stats from different perspective, my conclusion is that yes it is now safe. As I write there are about 500 people in hospital in England on a ventilator who have Covid – out of a population of 56,000,000 that's a very small number, especially when you think that most of them will recover. This number is falling and is now at the same level it was in July (yet we are in mid-winter!). If you've been tripled jabbed your chances of getting seriously ill with Covid are vanishingly small. Of course if your doctor advises you to stay in, then take their advice not mine!

I suppose the next questions is, having said all this, can you trust the vicar? Well I must concede, that's a fair point! I'm just glad that I can turn to God, to put my trust in him, the source of truth and love, who's word can always be trusted. He came to give us life, and life in all it's fullness. It's time to come out and live it.

Every blessing,

Rev. Ian

CHRISTMAS DAY DINNER IN HOLMESFIELD CHURCH

Eleven People sat down for the Christmas meal in Holmesfield Church Hall and hopefully a good time was had by all.

We would like to say a big thank you to the following:-

- The Angel Inn for providing the wine .
- The Rutland Arms for providing all the vegetables.
- Roger and Frances Webb for the crackers and a cake.
- Hazel Smith for giving us the large turkey.

Thanks are also due to Sylvia Meggitt and Brenda Dakin for all their help on the day.

Robin & Jane Greetham

HOLMESFIELD YOUTH CLUB

A great start to 2022 for Glow! youth club! We've gone from monthly to weekly for the spring term with the support of ExtremeWheels Roadshow, a charitable organisation working with young people for the last 20 or so years. They normally work outdoors with bike ramps (they're all champion BMX/

mountain bike riders) and extreme sports but during the winter months have joined us bringing slack lines, laser quest and vintage video games as part of their flying youth club kit. Please do check out their Facebook and Instagram pages to see the fantastic work they do.

Thanks also to the folk who have donated equipment since the start. If anyone has the skills and time to attach some wheelie castors to a table football please do be in touch with me.

Glow! youth club is open on Mondays 6.30 to 8.30pm in Holmesfield Church Hall for all local young people in secondary school years Y7-11. It's free to come in and take part in all the activities.

HOLMESFIELD'S VILLAGE SOCIETY

Hi All - Happy New Year! I hope that you have all had a wonderful Christmas and that this finds you safe and well.

Spring is just around the corner (thankfully!) and it's the time of year for planning the year ahead and that's exactly what the Holmesfield Village Society committee have been doing. Following a short break after Christmas, we have started to plan our calendar of events for the village for 2022.

The Queen's Platinum Jubilee is this Summer and this makes it an incredibly special year for community events. We hope to add some really special celebrations for the Jubilee into our usual village calendar. We already have the annual favourites pencilled in, the Pumpkin Trail, Remembrance Sunday, Santa's Grotto, the Christmas Tree and Carols and we want to do even more!

Following the great comments and feedback we have had about the 'Polar Express' Christmas film afternoon for children; we have no doubt that there is a demand for movie events. Ideally these could take place more regularly, perhaps with different themes throughout the year. Please let us know what you would like to see in the Village Hall...

In fact, we want to hear all of your ideas – so please let us know! We are inviting your suggestions and input about all the events and types of activities you would like to see in 2022.

If you have any requests, or ideas or you'd simply like to be more involved, please let us know either directly or on the email address below. We look forward to hearing from you.

We are all about building on our great community spirit - that's our goal in everything we do and we can hopefully have some fun along the way!

For more information or to contribute ideas; email us at holmesfieldvillage@gmail.com and always keep an eye on www.facebook.com/groups/holmesfield for event updates.

#loveholmesfield

THANK-YOU

Holmesfield Parish Council sends out a big message of thanks for all those involved in organising and attending the Christmas events in the village..

HOLMESFIELD SUPPORT GROUP

It looks like we may be coming to an end of restrictions completely and returning to 'normal'. We are continuing to publicise any updates we get on vaccinations on the Facebook page, but most people know the processes by now. The community WhatsApp group continues to be available for everyone join.

HOLMESFIELD MARKET UPDATE

Not too much to report this month as we are starting to get back into planning for this year's markets. The 2022 dates for the market are as follows:-

Saturday 2nd April,
Saturday 2nd July,
Saturday 1st October,
Saturday 3rd December.

We are keen to hear from any new stall holders and also your feedback on what other types of stalls you would like to see. Email us at the address below.

One thing the team did discuss at the January meeting was the financial results achieved by running the markets this year. We plan to attend the Holmesfield Village Society meeting in February to discuss what we can jointly support.

We did have some ideas about offering some 'start up' funding for village activities. So do you or a group of you have an idea to start a club, or offer some training that we could support? Bridge club night? Indoor Boules? Intro to Art? How to create a website etc...?

We know there are lots of things going on, and maybe there are no gaps. But if you do have ideas, want to learn or offer your skills for community learning, discuss how to get support for your 'start up' activities.

Please contact us at: [*holmesfieldlocalmarket@gmail.com*](mailto:holmesfieldlocalmarket@gmail.com)

TIME TO GET WALKING AGAIN!

At this time of year we start to think about the mud drying up and getting out to walk in the beautiful English countryside again, but where can you find new and interesting walks?

Walking in Derbyshire: www.walkinginengland.co.uk/derbyshire has hundreds of walks to download and print for free, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (the custodian of the website) said *'There is so much walking information on the web but it is difficult to find. Walking in Derbyshire (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you.'*

With walks from half a mile to over twelve miles plus a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

ARE YOU LEAVING THE DOOR OPEN FOR HACKERS?

Why are software updates important?

Software updates are an important part of staying secure online. But why? You'll often hear about the new features or performance improvements in a software update, but what isn't talked about as often are the bug fixes and security improvements. Out-of-date software and apps contain weaknesses. This makes them easier to hack. Companies fix the weaknesses by releasing updates. When you update your devices and software, this helps to keep hackers out.

Why would cyber criminals target me?

Your device contains a lot of personal data that is highly valuable if it fell into the hands of a fraudster. The likelihood is your device will contain your full name, date of birth, address, bank details, passwords, as well as many other forms of personal data such as private photos or videos.

Improve your online security by using automatic software updates

We understand it can sometimes be annoying to remember to update your devices every time a new update is released, that's why we encourage you to enable automatic updates wherever it's available. That means you don't have to manually install updates every time they're released.

HOW TO REPORT SCAM MESSAGES

Fake emails and text messages are a common tactic used by cyber criminals, their goal is often to convince you to click a link. Once clicked, you may be sent to a dodgy website which could download viruses onto your computer, or steal your passwords and personal information.

In order to try and convince you that their messages are legitimate, criminals will pretend to be someone you trust, or from some organisation you trust. This could be your Internet Service Provider (ISP), local council, even a friend in need. And they may contact you by phone call, email or text message.

Reporting suspicious emails:

If you have received an email which you're not quite sure about, you can report it by forwarding the email to the Suspicious Email Reporting Service at: report@phishing.gov.uk

As of 31st October 2021, the number of suspicious email reports stands at more than 8,100,000, with the removal of more than 67,000 scams and 124,000 URLs.

Thank you for your continued support.

**In a small number of cases, an email may not reach our service due to it already being widely recognised by spam detection services. The vast majority of reports do reach our system so please keep reporting any suspicious emails you receive.*

Reporting suspicious text messages:

You can report suspicious text messages to your mobile network provider, for free, by forwarding the text to 7726.

If you forward a text, your provider can investigate the origin of the text and take action, if found to be malicious. If 7726 doesn't work, you can find out how to report a text message by contacting your provider.

(On many Android devices and iPhones, pressing and holding on the message bubble should present the option to forward the message)

DECEMBER 2021 WEATHER

What was the weather like in December last year! With Christmas and then the New Year in between, without my weather station records I struggle to remember very well. However, I do remember that it was officially a White Christmas, although Holmesfield only just made it as the snow did not fall until about 11pm on that day. The snow did not last for very long and indeed by the end of 2021 our temperatures were in double figures. 31st December set records as the warmest New Year's Eve for many years. I recorded a maximum of 12.9°C on that day and it was quite unusual in that the temperature stayed above 10°C for all 24 hours.

December as a whole was 0.7°C above my average for the month, the mean temperature was 5.2°C as opposed to my average of 4.5°C. Whilst the month was slightly warmer than normal it was also very dull with record cloud cover. I did not record a single hour of bright sunshine in the whole month. December was also wetter than usual with 40% more than normal, indeed we had some rain on 21 of the 31 days. In summary, December weather was not very exciting.

The year of 2021 will probably go down in our minds as the second one to be dominated by Covid-19. In terms of the weather the year was very slightly warmer than usual and 10% wetter than normal. Perhaps we should be grateful that 2021 was not unusual in terms of the weather. We would not like to have had a repeat of the storm in late November 1703 that is said to have resulted in 15,000 deaths in England. In London 700 ships were heaped together in the Pool of London, 400 windmills were destroyed in the SW of England and the old Eddystone lighthouse was destroyed. More recently the winter of 1947, when snow fell on the 23rd January and continued until the 15th March, caused enormous disruption and many deaths. Our weather is still very unpredictable and by the time you read this we may have had some more snow. The record snowfall of 1947, that did not start until late January, was actually preceded by heavy snowfall on the east coast of the USA over Christmas. I am writing this report on the 12th January, and it is quite warm, but five days ago heavy snowfall was reported to be blanketing the north east of the USA.

HOLMESFIELD ARCHIVES

The Holmesfield Bygones feature of the Parish Newsletter has been enjoyed by many readers since it became a regular feature several years ago.

Whilst we still have several items of interest to share, it is sadly not an inexhaustible collection and we wish to remind readers that we are always seeking to expand the collection and appeal to anyone with paperwork, ephemera and old photographs regarding Holmesfield to get in touch so that they can be digitised for posterity and enjoyed by a wider audience.

Cauls, Templers and Tires : The Weird Substructures of Late Medieval Headwear led by Sarah Thursfield

This practical workshop will focus on the development of the lattice-patterned caps and shapes worn by fashionable women between 1390 and 1470. What can we learn from the historical sources, and what happens when we try to re-create them?

This course will be of interest to those who attended Sarah's previous course on 'Medieval Englishwomen's Headwear' but whilst some previous knowledge and sewing experience will be useful, beginners are also welcome — just be prepared to put some very strange things on your head!

Please bring along your sewing kit, any materials which you would like to make up and any headwear you have made previously. Basics such as paper, buckram and wire will be available on the day for a small charge).

FRIENDS OF GILLFIELD WOOD

Saturday February 19th, 2022 : Bird Walks with Chris Measures. We will be meeting at 8.30am at the bottom of Totley Hall Lane. As usual, people can leave whenever they wish. The walk lasts between 2 and 3 hours. Please wear suitable clothing and footwear. On this occasion, there is no charge for attending. All are very welcome, non-members too should you wish to bring along or mention the event to a non-member.

**Friends of
Gillfield Wood**

Monday 21st February, 2022, 7.30pm : An illustrated talk by Pauline Burnett on The Tenants and Workers of Abbey Dale Forge 1738-1933 Following its growth from a single grinding wheel dependent on the River Sheaf for power, the talk covers the aspirations of its tenants in the development the forge, as well as its eventual decline as the steel industry expanded throughout the late 19th and early 20th centuries. Covering the highs and lows of both tenants and workers lives, it aims to illustrate the industrial and social past associated with the River Sheaf in Abbeydale and Totley.

NOTE: At present, this talk is planned to go ahead in Totley library, but please do check either the FOGW website or email fogwsecretary@gmail.com to confirm. Places are limited so it is important to book a place by emailing the FOGW secretary. FOGW members will have priority.

Practical Conservation Mornings. From 10am for 2 to 3 hours on one Sunday in the month on an agreed date with the Sheffield City Council Ranger who attends our work mornings with appropriate tasks (light and heavy) and tools. We meet either at the Baslow Road bus terminus, the Scout Hut on Aldam Road, Totley or at the end of Totley Hall Lane. The work mornings are advertised on posters around Totley, in the local press and nearer the date are emailed out. Due to Covid precautions there are no drinks or biscuits provided so we recommend you bring along your own refreshments. If you are interested in helping us carry out such work in Gillfield Wood or have any questions, please contact fogwsecretary@gmail.com

We may also arrange the occasional mid-week Conservation Morning where we will not have the help of a Council Ranger but will concentrate on tasks we can do independently. Here we are likely to meet at the Baslow Road bus terminus at 10.00am. Bring spade/shovel and rake if you have them/one. And gloves and flask. We will probably finish around 11.30 but feel free to come and go to suit.

HOLMESFIELD VILLAGE HALL CAR PARK

A large number of vehicles not connected with Village Hall bookings are now using the car park on a daily basis. This is now preventing users of the hall from accessing the car park.

The village hall car park is private property and unless you are using the building, parking is not permitted.

Parking on private land without permission may invalidate your motor vehicle insurance.

Currently the Parish Council will be placing notices on offending vehicles, but if the situation continues then other methods including locking of the car park or clamping offending vehicles will be considered.

RELIEF IN NEED AND PENNY ACRES TRUSTS

Residents are reminded that funds are available from these ancient trusts for people over the age of 60 living in Holmesfield who may experience difficulty in paying for fuel during the winter months. Anyone who is eligible should write to the Clerk to the Trustees, Mrs Geraldine Austen at Greenways, Main Road, Holmesfield, Dronfield. S18 7WB (Tel: 0114 289 0686). for more details. All applications are treated in strict confidence.

The Trustees are also able to make 'one-off' grants for unforeseen capital expenses such as (for example) the payment required by the District Council to remove old goods. If you are faced with such a bill contact Mrs Austen and tell her about it. The Trustees want to help anyone who qualifies, but cannot if they do not know who would like help!

HOLMESFIELD EDUCATIONAL FOUNDATION

Residents are reminded that this ancient village charity, dating back to the early 18th Century, has funds available to make grants to persons under 25 years old who are or whose parents are normally resident in the village. Grants may be made for or towards outfits, clothing, tools (including computers) instruments or books. Grants may be made for many other items or purposes which assist in promoting 'education' in its broad sense.

Please note that grants will not be given if purchases have already been made. Meetings are held on the last Wednesday in January, April, July and October.

For further information, those who may be eligible should contact the Clerk to the Charity, Mrs Geraldine Austen at Greenways, Main Road, Holmesfield, Dronfield. S18 7WB (Tel: 0114 289 0686).

HOLMESFIELD BYGONES

We are grateful to Alison Smith for sharing this view of Main Road, Holmesfield on 2nd June 1952 as Arthur & Doris Smith's Wedding cars approach the church.

The former village fire station can be seen in the background, the property attached to it performed a variety of functions over the years including being a former shop, post office, cobblers and smithy.
