# PEAK DISTRICT BAN ON BBQs

Peak District National Park Authority confirms barbecues are not permitted anywhere in the open countryside of the Peak District National Park.

Awareness campaigns and new signs have already been rolled out, but the sheer size of the area means public support is vital.

People are being asked not only to follow the rules but also to report breaches online.

Anyone who spots a fire that appears out of control is urged to call 999 immediately and provide as much location detail as possible – but they should never put themselves in danger trying to tackle it.

# THOMAS PEARSON

Thomas Gregory Pearson

18.12.39 - 17.09.26 aged 86

Who died peacefully at home.

Thank you to all for your kindness and support since Thomas passed away in September.

We were deeply touched by the many thoughtful cards, letters and flowers we received.

# DRONFIELD POLICE SAFER NEIGHBOURHOOD TEAM

***Monthly crime figures for September 2026 (difference with August figures):***

Violent crime against person: 4 (+4), theft: 0 (same as August), criminal damage: 1 (same as August), burglary 0 (–2), public order: 0 (same as August), vehicle crime: 0 (same as August), other: 0 (–1). Total: 5 (+1).

See the above crime figures, none of community concern.

**As the nights get darker...**

As the nights get darker earlier, the fear of crime can increase. Here are a few things you can do to feel safer:

- Leave a light on in more than one room, such as the lounge and bedroom.
- Change the times that the lights come on to create the illusion that someone is moving around inside the home.
- Consider the use of 'smart' technology to have different lights coming on in your house at different times.
- Make sure your front door is well lit and fully visible from the street. Also think about security lighting at the rear and side of your property.
- Consider having a good quality CCTV system installed.
- Keep your curtains closed at night - if you are away, ask a neighbour to close them for you.
- Check existing lighting is in good working order and replace any faulty equipment.
- Lock all windows and doors even when you are at home.
- Put the alarm on even when you go out and at night
- Don't leave valuables items or car keys on view near your front door.

# FROM A GREAT OCTOBER MARKET TO A FESTIVE CHRISTMAS MARKET

What a fantastic October market! The sun was shining, the stalls were fantastic, and everyone was happy! A huge thank you to everyone who came along, helped out, and brought their amazing produce to sell. Your support, hard work and enthusiasm are what makes our market so special!

Our next market is on **Saturday 5th December** and as we head towards the last market of 2026 - the one everyone looks forward to all year - we want to take a moment to reflect on the incredible journey we've been on over the last 7 years.

What started as a simple chat in the pub has grown into something truly special! None of this would have been possible without the many wonderful people who have supported over the years. There are so many people we would love to give a shout-out to, and we hope you know just how much your help, encouragement and friendship has meant to us.

What an experience it's been! From those early days to seeing the market grow into what it is today, it's been an absolute privilege to be part of it all.

And now, just like our fellow founding team members, we are also handing over the reins, it's time for others to take this fantastic market forward and continue building on everything we've created together. We've had a good response to our call for a new market team, and aim to hand over to them at the market in December.

Here's to 7 amazing years, to everyone who has played a part, and to the exciting future of our market!

Thank you all from the bottom of our hearts. We couldn't have done it without you!

For updates on stalls and news of the **Christmas Market** on **Saturday 5th December**, follow us on Facebook — just search Holmesfield Local Market.

Best wishes,

Aoife and Andrea

# HOLMESFIELD VILLAGE SOCIETY UPDATE

The Holmesfield Village Society is transitioning to new members. Whilst the outgoing committee have thoroughly enjoyed their time and look back with great fondness on the many events enjoyed across the village over recent years, sadly, their availability to continue has come to an end. Their endeavours and achievements will not be forgotten.

Meetings are taking place in October and November with wonderful people in the village who will be taking on roles within the Holmesfield Village Society. We warmly thank them for agreeing to continue the great work of both the recent committee and all those who have volunteered in the past.

In the short term, this does mean that plans for the usual Christmas activities are unclear, not least due to the recent closure of the George & Dragon which has been a fantastic festive venue for *Santa's Grotto* for many years.

However, we can confirm that the Remembrance poppies are now proudly on display throughout the village - which is a very important occasion of course - and the much loved Christmas tree will be erected in the Millennium Garden as usual to bring some festive spirit to the village.

Please visit the HVS Facebook page at ***www.facebook.com/groups/holmesfield*** and the Holmesfield Support Group on WhatsApp for further updates on this year's festive season.

# HOLMESFIELD GARDENING ASSOCIATION

Holmesfield Gardening Association meet on the first Wednesday of the month at 3.30pm in Holmesfield St. Swithin's Church Hall. Everyone is welcome to all our meetings.

In October we again welcomed Dr. Jenny Stephenson who talked about the plants that changed history. For example; the potato famine in Ireland that caused a huge exodus to the UK and the USA.

On **Wednesday 4th November**, we have our annual pie & pea supper with entertainment from the Buskin Buddies. The cost is only £15 and tickets are available from Dr. Hilary Olsen - telephone 0114 289 0927.

# GLOW! YOUTH CLUB SHINES BRIGHT IN HOLMESFIELD

Glow! Youth Club has had another fantastic term packed with fun, friendship and plenty of exciting activities for local young people.

Meeting every Monday during term time in St. Swithin's Church Hall, Glow! is open to all young people in Year 6 and above. Each week brings something different, giving everyone the chance to try new things, make friends and have fun in a safe and welcoming environment. The team from EXTREME WHEELS are fantastic and bring an array of exciting things for our club to enjoy.

Over recent months, our young people have enjoyed a wide range of activities. We have battled it out in thrilling games of laser tag, got creative with face painting, and danced the evening away at our Glow! Disco complete with glow sticks, lights and UV paint. We have also put our baking skills to the test with some delicious results and enjoyed many friendly competitions around the pool table.

For those who love to perform, karaoke has provided plenty of laughs and opportunities to showcase hidden talents. One of the highlights of the term was a giant game of hide and seek in the churchyard, which proved to be a huge hit with everyone involved.

Of course, no Glow! Youth Club evening would be complete without a visit to our incredible tuck shop, which continues to be a firm favourite and provides the perfect opportunity for young people to relax and chat with friends.

Glow! is about much more than just activities. It is a place where young people can build confidence, develop friendships, and feel part of a supportive community. We are always delighted to welcome new members and would encourage any young person in Year 6 or above to come along and join the fun.

We look forward to another exciting term ahead and would like to thank all our volunteers, all the guys for EXTREME WHEELS, and supporters who help make Glow! Youth Club such a special place.

We'd love to see you there!

# HOLMESFIELD CHURCH WALKING GROUP

BIRCHOVER STANTON MOOR WALK

On **Wednesday 11th November** at 10:00am, Robin Greetham will lead a walk starting from outside the Red Lion public house (DE4 2BN) in Birchover. We will walk to the Cork Stone first, continue on to the 9 Ladies stone circle, then on to Barn Farm and back to Birchover. The walk is approx. 4 miles long and there is a short cut.

Unfortunately both pubs in Birchover are closed on Wednesday lunchtimes, so for lunch we will call at the Grouse & Claret, Rowsley on the way home.

***If you would like to come just turn up on the day.***

The cost of the walk is £5 and the proceeds will go to Holmesfield church.

Please phone Robin Greetham on 01246 412767 if you have any queries.

# SEPTEMBER – OCTOBER 2026 WEATHER

I am writing these notes on 19th October – more than half way through autumn. Our September to October weather has, so far, been unremarkable with no extremes or storms.

The average temperature normally drops by two to three degrees each month at this time of the year and, whilst we have not yet seen any frost, the trees are already beginning to change colour and the grass has begun to grow more slowly. Grass normally stops growing when the temperature regularly drops below five degrees and the days become shorter.

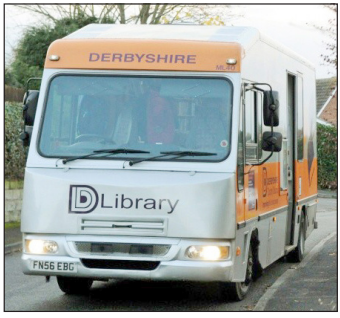

The average temperature during September was 14.1°C and so far during October it has been 11.1°C. The warmest day was on 22nd September at 25.1°C and the coldest was 4°C on 8th October. We did enjoy more than average sunshine during September, which was also a relatively dry month, with only half our normal rainfall.

The Met Office reported that September was the UK's joint-fourth warmest September on record with England experiencing below-average rainfall overall. However, conditions have varied across the country and we have actually experienced considerably more rain than the southern part of the country.

The latest Met Office long-range forecast suggests that Derbyshire, and indeed the rest of the UK, are likely to experience changeable, often unsettled weather over the next four weeks, with periods of rain and wind interspersed with drier spells. That sounds a little more optimistic than the outlook offered by the comedy musical duo Flanders and Swann, who in their *'Song of the weather'* memorably declared *'Then October adds a gale, wind and slush and rain and hail..'*

**The Rutland Arms**
**Cowley Bar, Holmesfield**
Call: 01142 890374

With cart tracks making their mark on the former Gleadless to Calver turnpike road, this wonderful study of Lydgate cottages on the left (three dwellings plus a nail maker's shop) and Lydgate Farm on the right, with a fine array of hay stacks plus a barn, was posted on 24th September 1919.

Just visible in the middle distance is the road winding its way up Castle Hill, though the Parish church of St. Swithin's is obscured by the tall trees on the sky line.
