POLICE REPORT TO PARISH COUNCIL

PCSO Jonathan Flower sent a written report to the Parish Council: During May 2023 there were four reported crimes, these included 1 theft, 1 burglary, 1 public order, and 1 of violence against the person.

PCSO Jonathan Flower also raised a few animal related concerns; one of which resulted in a person sustaining a minor injury by pet dog whilst on a walk. A poster has been supplied – **Are you in full control of your dog?** Please consider putting your dog on a lead. Police Advice – Under the law, any dog (of any breed or type) can be considered dangerous in any place if it is not kept under control. The dog doesn't have to bite anyone, it could just show aggressive behaviour that makes someone feel in fear for their safety.

There have been a couple of burglaries reported and residents are asked to be extra vigilant during the hot weather when leaving doors and windows open.

An investigation is ongoing following an incident in Millthorpe with a speeding vehicle.

DRONFIELD POLICE SAFER NEIGHBOURHOOD TEAM

May Crime Figures:

Theft: 1, public order: 1, burglary: 1, violence against the person: 1, Total: 4 (+1).

Unfortunately, we have one crime for the community to be aware of and this is a burglary within the area of Millthorpe.

We as a local team are supporting the victim and offering additional crime prevention support to try and prevent a future incident and advice to make properties less desirable for thieves.

This is a service that people can request – a visit from police where we will complete a crime prevention assessment of the person’s home.

Any other concern please get in touch and if the Holmesfield Parish have any community events over the summer we would love to attend if appropriate .

HOLMESFIELD CHURCHYARD UPDATE

St. Swithin's Churchyard is a beautiful and sacred place at the heart of our community. Many of you will have passed through it over the years, even if it is just to walk the dog! Some of you will have family members or friends buried in the churchyard.

The church council (or DCC) is responsible for our churchyard, together with the Holmesfield Chapel Lands Trust, a small and ancient charity which supports the church. The DCC must manage the churchyard

according to regulations set down by the Diocese of Derby ensuring that monuments and other items (including those left in memory of loved ones) are in keeping with the historic and sacred setting. Generally speaking, trinkets, ornaments, vases, statuettes, flowerpots and artificial flowers are not permitted within the churchyard and may be removed at any time.

The cost of maintaining our churchyards to the same standard as municipal cemeteries is prohibitive, so we do the best we can, which is to undertake regular maintenance to keep it as safe as possible and to ensure the main pathways are clear. The church arranges for contractors to mow and strim around existing graves on a regular basis and this is part-funded by Holmesfield Parish Council. At certain times and places the grass may be left uncut to encourage and support wildlife.

Anyone who is or was a resident in the ecclesiastical parish of Dronfield with Holmesfield, plus those with other connections, may be buried in the churchyard. We no longer reserve specific grave plots but will honour arrangements already made. There is still space for new graves but now, sadly, a very limited number of spaces for new interments of ashes.

Memorials remain the property of the person who paid to have it erected or their immediate family. Their upkeep is the responsibility of the owner.

For churchyard enquires please contact the Parish Office.

Rev. Ian Webb, vicar, tel. 0114 299 1714.

HOLMESFIELD VILLAGE SOCIETY

Hi Everyone

The Village Society team hope you are all enjoying this amazing weather – how much better do you feel for some sunshine? It really is good for the soul!

Here at HVS central, whilst doing the odd bit of sunbathing along with working, we have been making plans for Holmesfield Village Week which starts with the **Holmesfield Local Market** on **Saturday 8th July** and there will also be a **Tractor Run** through the village on the same day in aid of Sheffield Children's Hospital which is such a worthwhile cause and we hope as many people as possible will turn out to support the Market and the Tractor Run.

We have some really lovely things going on in the village during Festival Week including a **picnic** at Woodthorpe Hall, a **Quiz Night**, a **Treasure Hunt**, and the annual **Vicar's XI Cricket Match** plus **Welly Wanging** contest, as well as a fabulous **Scarecrow Competition** – see the full agenda opposite, follow us on Facebook and look out for updates on the Holmesfield Village Support WhatsApp Group. We look forward to seeing many of you out and about in the village that week.

In addition to these fantastic events we are thrilled that the tradition of the Children's Well Dressing in the village is continuing with the support of Claire Bartrim, Liz Denniff and Jo Robinson along with many children from the village and Penny Acres School. The Well Dressing will be blessed on St. Swithin's Day, **Friday 14th July**, by the village vicar, Rev. Ian Webb.

Our Smiling Sunflower competition is now in full swing and we have seen some amazing Sunflowers entries so far – we look to have some very keen gardeners here in Holmesfield – we will keep you updated with progress in the coming weeks.

At the recent Coronation celebrations in the Village Hall, those who attended had the opportunity to vote for their favourite winter images from the Christmas Card competition. Two lovely scenes were chosen and these are now in the process of being converted into Christmas cards which will be sold in the village from early in the Autumn to raise funds for future HVS projects. The two talented winners of the competition were Nell Taylor and Carl Farrell. They will be receiving their prizes in due course. We had so many amazing entries, we were glad that we didn't have to choose the winners ourselves and that we were able to ask local people to vote for their favourites. Huge thanks to everyone who entered.

That's all for now – keep enjoying the summer here in beautiful Holmesfield and take care!

Big love, The HVS Team!

GLOW! : HOLMESFIELD YOUTH CLUB

At Glow! youth club this month we've made clay models, had an impromptu 1980s cheesy classics dance party, and my personal favourite this month, jamming during music making week with guitars of varying sorts, piano and a kazoo.

Our year 6s have settled straight in and are already part of the furniture! We're looking forward to our end of term BBQ and games in the vicarage garden.

We are in need of a few more volunteers in order to keep running every week. We're really grateful to those who give up their time to work with an amazing bunch of young people.

If you'd like to get involved, then if it's running the tuck shop please get in touch for an informal chat!

HOLMESFIELD GARDENING ASSOCIATION

On Wednesday 21st June we had a very successful visit to Wollerton Old Hall Garden in Shropshire. The garden was magnificent and was attended by 41 members and guests. Many thanks to Mrs Pat Morton for recommending the garden, to our treasurer for looking after the finance and to Dr. Hilary Olsen for all her hard work in organising the trip.

On **Wednesday 5th July** there is a garden visit to Hilary Hutson's home at 90 Bents Road, Sheffield. S11 9RL. Meeting at 2.00.p.m there is a £4.00 admission fee for NGA. The Gardening Association Annual Show will be held on **Saturday 19th August** in Holmesfield Village Hall. Members and friends are all welcome to come along. For a copy of the schedule with sections and entry classes plus fees for entries (20p per entry), please contact Mrs Hilary Olsen on 0114 2890927.

The sections are as follows; vegetables and fruits, flora and foliage plus pot plants, various herbs, domestic class (cakes, bread, jams and so on).

The final section is open to all children, not just those of members. They are asked to make a funny object from a fruit or vegetable or create a miniature garden in a tray. Trophies will be awarded for all sections and also for the overall winner.

Entries will be accepted between 9.30am and 11.30am on the morning of the show.

The room will be closed for judging at 12.00noon.

The show is open to the public at 2.30pm. No exhibit will removed before 3.45pm - any that are left will be auctioned off from 4.00pm.

All enquiries to Mrs Hilary Olsen our Social Secretary and Social Event Organiser .

If anyone not a member wishes to exhibit it is very easy and inexpensive to join the HGA. As before, please contact Mrs Olsen. **Robin Gretham & Fran Webb**

Don't make it easy for **thieves**

! Lock your car ! Secure your home ! Keep your keys out of view

Derbyshire Constabulary is warning residents to be on their guard against 2-in-1 burglaries. This is where thieves break into a house, take the car keys, then steal the homeowner's car. Police have seen an increase in this type of crime in recent months. Don't tempt thieves! Many thieves are opportunists, don't make life easy for them. The more obstacles in their way the less likely they are to strike.

Don't leave your car keys on view on kitchen tables or hooks on walls or placed near windows or cat flaps where thieves can see and possibly reach them • Don't leave handbags, wallets or other valuables on display • Ensure you lock all doors and windows, even when you are at home • If no-one is home during the evening, leave a light on or a radio playing. Consider using a timing device • Don't leave tools, ladders or other implements outside, thieves could use these to gain entry to your property • Fit outside security lighting and an alarm if possible and ensure they are in working order. Always set them when you are out or go to bed. Remember to lock all gates, sheds and garage doors • Always lock your car and use devices such as steering wheel locks to make it less attractive to thieves. Fit an alarm or tracking device if you can afford to • If you have a garage, use it. If thieves can't see your car, they can't steal it. If you don't have a garage consider fitting gates or a security post to your driveway

Protect your property • Keep it safe • Keep it locked

MAY 2023 WEATHER

May this year was not a disappointment. The average temperature was 11.7°C which is just over half a degree warmer than usual. The highest temperature was 22.9°C on the 27th and the lowest was 3.3°C on the third.

The first ten days of May were overcast with several days of rain but the rest of the month was very dry with some lovely sunshine. This spell of pleasant weather, which has continued into June, was the result of a large area of high pressure that was centred a little to the west of Ireland. The high pressure kept the Atlantic depressions away from us and so gave us pleasant dry and gentle weather. In this case the high pressure also gave us a lot of sunshine – I recorded 263 hours of bright sunshine – but there was a rather cool wind from the north east for many of the days. This wind also brought in some cloud from the North Sea on a few days so the month was not perfect. Nonetheless, Weston Park weather station did report that there were only three days without any sun during May.

I did not record any rain on 21 days and my total rainfall for the month was 27.4mm which is only 40% of the normal for May. Perhaps we were due for a dry month after the heavy rainfall we experienced in March and April.

Areas of high atmospheric pressure – anticyclones – are usually associated with calm weather. The first person to have measured atmospheric pressure and noted that the pressure varied with the weather was Evangelista Torricelli who worked with Galileo in Florence in the 1640s. He invented the mercury barometer and noted that the mercury level rose when the weather was sunny. Anticyclones are the opposite of low pressure weather systems. We often call times of low atmospheric pressure depressions and they can result in fairly depressing weather. The proper name for a depression is a cyclone. This term was first used by an English sea captain called Henry Piddington in the 1840s. He spent many years in Calcutta and noted that cyclones, or tropical storms, gave rise to strong winds that circulated in an anti-clockwise direction. He used the word cyclone because he saw the weather pattern as looking rather like a coiled snake.

A few years later in the 1860s a man called Francis Galton first used the word anticyclone for a high pressure region where the winds circulated in a clockwise direction in the northern hemisphere. He produced the first weather map that was published in *The Times* in 1875. Galton shared a grandfather with Charles Darwin and he was a very bright polymath. However, he would probably not be very popular today as he wrote and spoke a lot about eugenics – trying to improve the general intelligence of a population by excluding from breeding people judged to be inferior.

Making Derbyshire Safer **Together**

Put your dog on a lead. A5 19 20

Some dogs can become aggressive and bite other people or animals. Any dog can become dangerous in the wrong hands!

Police Advice: Under the law any dog (of any breed or type) can be considered dangerous in any place if it is not kept under control. The dog doesn't have to bite anyone, it could just show aggressive behaviour that makes someone feel in fear for their safety.

Your dog is considered dangerously out of control if it: injures someone • makes someone worried that it might injure them.

A court could also decide that your dog is dangerously out of control if: It injures someone's animal • The owner of the animal thinks they could be injured if they tried to stop your dog attacking their animal • In these cases, the police may prosecute and the penalties can be very severe with up to 14 years in prison if a dog kills someone.

It is very important to ensure your dog is properly socialised with people and animals from a young

age as well as trained and cared for, to keep it safe.

For more information you can read section three of the Dangerous Dogs Act 1991 relating to Dogs Dangerously Out Of Control.

HOLMESFIELD CRICKET CLUB

June has been a great month of cricket down in Millthorpe with much better weather and the club having success across all teams. The weekly fixture list has been jam packed and it's beginning to feel like summer.

To start with, thank you to all those who attended the opening of the new social pavilion on Friday 16th June. We had a fantastic evening celebrating and showcasing our new area. A lot of work has gone into the social area from club members and the local community. It was great evening to thank all those involved and we look forward to more events in the future!

1st XI

The 1st XI have had a mix of results with some commanding wins and disappointing losses over the past month.

The positives were a great win at home vs West Hallam White Rose CC with Brent Doubell hitting the club's first century of the season, finishing on 119. HCC put together a strong scorecard reaching 309/4 with West Hallam being bowled out for 261. Four wickets for Nobrega did the damage to the West Hallam top order.

A win vs Darley Dale CC – again at home – with our 2nd club centurion, Mayank Sharma, hitting the winning runs. HCC chased 260 to win with Sharma finishing 107 not out, keeping a cool head throughout the innings.

On the flip-side were frustrating loses to Hundall CC and Matlock & Cromford Meadows CC where runs were sadly lacking for The Vill.

Holmesfield's 1st XI currently sit 7th In Derbyshire Division 3 North.

2nd XI

After a strong start to the season, winning four games in a row, the 2nd XI have had a couple of tough games.

Again, starting with the positives, the month began with a strong victory vs West Hallam White Rose CC who set 138/9 in 40 overs. 4/21 wickets for Max Wood was a very mature display on a flat track. HCC finished the chase 139/7 with runs shared across the team.

This was followed by a win vs Cutthorpe CC who batted first and set 188/8. A top knock on debut for the 2nd team by Matt Daft saw Holmesfield cruise to 190/5 with Daft finishing on 89 not out.

Sadly, back-to-back loses followed against both Clowne CC and Hathersage CC. In the game against Clowne, the team were undone by an impressive bowler who took 7 wickets for 29 runs, pummelling the off stump and vs Hathersage, a batter who hit 132 in around 50 balls. A mention goes to Russ Parker with the highest score of the season for the 2nd team, finishing 96 not out vs Hathersage.

8th July	Eckington CC (Away)
15th July	Calow CC (Home)
22nd July	Darley Abbey CC (Away)
29th July	West Hallam White Rose CC (Home)

Midweek XI

Midweek senior cricket returned to HCC with the main success coming in the cup games. Wins vs Grassmoor Works CC and Clowne CC have put HCC into the final. There were great team performances in both games but the highlight was bowling out Clowne for 51 with wickets shared across the team.

Ladies 1st XI

HCC ladies had a home tournament in June taking on both Riddings CC and Belper Meadows CC. It was a fantastic day for the home team, winning both games (HCC 333 – 232 Riddings CC & HCC 307 – 246 Belper Meadows CC).

Mandy Wykes become the first HCC lady to reach a half century, hitting 53. A brilliant achievement and the first of many. We are extremely proud of our women's team who are sitting 2nd in the league without a loss.

The next ladies' matches are on 2nd July (Clifton CC and South Wingfield CC (away at Chapel Lane Ground) and 21st July away at Belper Amateurs.

If you are interested in joining HCC ladies, please come along to our women's cricket training on Friday evenings at 5:30pm. Age 13+ all abilities welcome.

The Village Cricket Game

The annual HCC vs The Vicars XI will take place on the evening of **Monday 10th July**. Please come and join us to enjoy a fun game of cricket, all are welcome! Raffle, drinks & BBQ will be available, plus of course Welly Wanging at half time!

Junior Cricket

Both the U13 and U15 teams continue to have success with some very exciting cricket games over the past month.

The U15s have had some impressive wins this month against Cutthorpe, Eckington, Hallam and New Mills in the cup. The highlight was chasing 150 vs Eckington at home with both H. Welch and A. Pearson hitting 50s.

The U13s (pictured) have also had success with wins over Chesterfield and Hallam in the cup. There have been runs and wickets across the team and we are very proud of the effort all our juniors are putting into their cricket.

100 Club

There is still the opportunity to join the 100 Club. To register please complete and return the form to Tony Brown or Jimmy Pearson. Alternatively, if your details have not changed then simply send the money along with your name.

Thanks to all those who have already joined, it's much appreciated

Interested in Joining us?

Anybody wishing to play or help out contact, either Tony Brown or Jimmy Pearson. Alternatively, if you fancy a leisurely afternoon in the summer please drop in to support us at the ground.

FRIENDS OF GILLFIELD WOOD

Practical Conservation Morning: Sessions are open to anyone who would like to join in. Everyone needs to provide their own gloves along with suitable clothes and footwear. Everything we do supplements the work carried out by the Council's woodlands team, meaning much more can be done to improve the wood for its flora, fauna and visitors alike. Typical activities are coppicing, fencing and walling, tree and undergrowth management, path repair and drain clearance and all sorts of miscellaneous jobs.

**Friends of
Gillfield Wood**

We meet either at the Baslow Road bus terminus, the Scout Hut on Aldam Road, Totley or at the end of Totley Hall Lane. The work mornings are advertised on posters around Totley, in the local press and nearer the date are emailed out.

Due to Covid precautions there are no drinks or biscuits provided so we recommend you bring along your own refreshments.

Please reserve a place as numbers will be limited by emailing the secretary at: fogwsecretary@gmail.com

For any clarification, please email Paul Hancock : paulhancock1954@gmail.com

Please check out and 'like' the Facebook page for ***Friends of Gillfield Wood***.

There is also a Twitter feed: @GillfieldWood - please take a look !

HOLMESFIELD VILLAGE HALL CAR PARK

A large number of vehicles not connected with Village Hall bookings are now using the car park on a daily basis. This is now preventing users of the hall from accessing the car park.

The village hall car park is private property and unless you are using the building, parking is not permitted.

Parking on private land without permission may invalidate your motor vehicle insurance.

Currently the Parish Council will be placing notices on offending vehicles, but if the situation continues then other methods including locking of the car park or clamping offending vehicles will be considered.

HOLMESFIELD BYGONES

Another delightful image from the lens of W. "Harry" Hewitt of Dronfield. Although captioned as Cartledge Lane, it is clearly Millthorpe Lane some distance below Little Chatsworth cottages approaching the sharp right bend towards the bottom of the lane.

Healthy hedgerow growth is very much in evidence as a young lady and a child gaze at the photographer with great curiosity.
