## ***Monthly crime figures for June 2026 (difference with May figures):***

Violent crime against person: 3 (-1), theft: 0 (-1), criminal damage: 1 (same as May), burglary 1 (+1), public order: 0 (-2), vehicle crime: 0 (same as May), other: 0 (-2). Total: 5 (-5).

## ***Crime Prevention Information – Holiday Season:***

The best thing you can do is to make sure that it looks like someone is home. If you can, arrange for a relative, trusted friend or a neighbour to look after your house. Ask them to open and close your curtains and to collect any post while you are away.

## ***Tips to help your home look lived in:***

- Cancel any milk, newspaper or other deliveries.
- Cut the lawn and trim back bushes and plants. They won't look so overgrown while you're away.
- If you're away for a long period, speak to Royal Mail about their 'keep safe' services, they will keep your mail for up to two months.
- Avoid discussing travel plans where strangers may overhear about your absence from home.
- Try not to leave valuable items, like your TV, stereo, DVD and computer equipment where thieves can see them.
- If you normally leave valuable bicycles or other items in your shed, consider storing them in the house.
- Place important documents and valuable items locked in a safe or leave them with other family members.
- Security mark your belongings and keep a list of the make, model and serial number of these items. Take photos of any valuable items that can't be marked, like jewellery.
- Make sure you have up-to date contents and buildings insurance.
- Use automatic timer-switches to turn your lights on when it goes dark.

Before you go. Check you've locked all external doors and windows, any side or back gates, and that your shed, garage or any other outbuildings are secure.

Finally, if you have a burglar alarm, make sure it is set.

## **MOBILE LIBRARY UPDATE**

New Derbyshire mobile library timetables are being introduced from Monday 3rd August which includes 30 new stops and increased stop times to allow for better browsing.

Holmesfield's mobile library visits are largely unaffected - it retains the usual four-week visiting cycle and the same arrival time of 10:25 but now stays until the later time of 10:55.

Mobile library vans offer a range of books to browse. You can also request an item from any Derbyshire library to collect at your nearest stop. Books borrowed from a mobile library will be loaned for 4 weeks, and can be renewed online.

If you're not a member of Derbyshire Libraries yet, you can join in the vans - just bring some ID which includes your address and they will sign you up!

The mobile libraries have a small step, but if you have any questions about accessibility, contact them and they'll be very happy to help.

If mobile libraries aren't suitable for you, check out our home library service.

# **HOLMESFIELD VILLAGE FESTIVAL REPORT**

The annual *Holmesfield Village Festival* took place in July and it was heartening to see so many residents enjoy a wide variety of events in glorious summer weather.

The Festival kicked off at Woodthorpe Hall where the Shepley family kindly opened their gardens for the public to enjoy their picnics and enjoy happy times in the lovely grounds.

Teas and coffees were available and a great time was had by all.

The following weekend saw Penny Acres school host its summer fair which drew a good sized crowd of parents and children, whilst St. Swithin's church opened its doors to a patronal festival of flowers in tribute to St Swithin in the 200th anniversary year of the present church building, which has recently enjoyed a superb refurbishment.

The number of entries in the village scarecrow competition was disappointing this year, but congratulations to Bertie, Alice, Grace, Edie Fliss and Christopher for putting together the winning entry - "*Football's Coming Home(sfield)*".

The village pubs entered into the festival spirit by hosting several events. As well as screening the World Cup matches on the big screen, the George and Dragon hosted live country music with the *Spire Cowboy* followed by a karaoke night a few nights later.

Meanwhile, the Rutland Arms hosted a street food pizza van, followed by its ever-popular quiz night which was enjoyed by all. Congratulations to Nick & Julie Granger who were the winning team on the night!

Thank-you Kellie at the newly refurbished George & Dragon and Gary & Lucie at the Rutland Arms for hosting these events and helping the remaining village pubs to thrive and survive.

Four groups enjoyed a leisurely gambol around Holmesfield's roads and footpaths on a beautiful evening, taking part in the village treasure hunt. Congratulations to the Marples family for correctly answering all 20 questions and being the first entry drawn from the hat.

It was increasingly looking likely that there would be no well dressing in the Millennium Garden this year, which would have been a great pity, but thanks to Liz Denniff, Kirste Farrell, Maddie, Hannah, Carl and all those who made it happen, the well was finished just in time for it to be blessed by Rev. Ian before he left for another pressing engagement...

The annual Holmesfield CC vs the Vicar's Invitation XI cricket match did not disappoint as a large crowd enjoyed a fabulous evening's entertainment including an extraordinary display of batting prowess by Rev. Ian, but alas it was not to be as Holmesfield CC (115-6) prevailed by just 2 runs as the Vicar's XI (113-9) failed to reach the required target for victory.

During the interval, there was the added attraction of the *welly wanging* competition and congratulations to Peter Gaunt (pictured on the right receiving the trophy from Nick Wheat) who won with a hugely impressive throw of the welly!

The vibe around the ground was brilliant as the village supported the event with the bar, BBQ, and Millthorpe Cake Shed brownies all doing a roaring trade.

Thank you to all at Holmesfield Cricket Club for hosting a great event, especially Tony Brown, Jimmy Pearson, Tommy & Kerry Marples for pulling it all together. £400 was raised for Holmesfield Village Society, £150 from the raffle plus £250 donation from the cricket club which was a fabulous gesture and very appreciated.

Hopefully next year's Village Festival will go from strength to strength!

## LONGSHAW SHEEP DOG TRIALS ASSOCIATION

[www.longshawsheepdog.co.uk](http://www.longshawsheepdog.co.uk)

Registered Charity No 234523

2026 will be the 128th year of the Longshaw Sheep Dog Trials Association, thought to be the oldest continuous sheep dog trials in England, with the two world wars and 2001 because of foot and mouth being the only years when no trials were held.

We are please to announce that the trials will take place again this year by kind permission of the National Trust on **3rd, 4th & 5th September** on Longshaw Pastures in front of Longshaw Lodge, near Grindleford, starting at approximately 8.00am each morning and members of the public will be most welcome to attend. We are very honoured this year to have Mr. William Taylor as our President.

On **3rd and 4th September** there will be Open class, and Brace class sheep dog trials when many of the *"One Man and His Dog"* competitors will be taking part, and on Saturday 5th a local class, fell race and championship.

Following the local class on Saturday 5th, the *Longshaw Fell Race* is to be run. Starting from the trial field at approx. 10.30am, the race is pre-entry once again. For further information please see the Dark Peak Fell Runners website [www.dpfr.org.uk](http://www.dpfr.org.uk)

Starting at approximately 12.30pm on **Saturday 5th September**, the trials culminate in a double gather championship, which consists of the 8 highest pointed runs from both Thursday and Friday, when the winner will take home and keep the prestigious Longshaw Championship silver tea pot kindly sponsored again by our main sponsor, Grayson's Solicitors.

On **Friday 4th and Saturday 5th September**, time and aircraft to be confirmed, and depending on the weather and air worthiness of the planes, there will be a flypast by the Battle of Britain Memorial Flight.

Tickets are now available to purchase in advance at a discounted rate of £7.50 through the website [www.longshawsheepdog.com](http://www.longshawsheepdog.com) or admission on the day is £10.00 per adult, no charge for children under 12, and there is free parking on the field. We start at 8.00am, weather permitting, finishing at approximately 5.00pm.

For further information please contact the Secretary, Mrs. Sheila Humphreys MBE on 01433 651852, e-mail [lsdta@talktalk.net](mailto:lsdta@talktalk.net), or check out the website.

There will be a licensed bar, hot and cold food and drinks, and ice cream available to purchase on the field. There will be raffle tickets and Longshaw items to purchase as well as craft tables and stalls, and the magnificent array of trophies will be on display, so please come and join us for *"A day on the moors"* to see, as J. Wentworth Day described them, some of *"The Wisest Dogs in the World"*.

# **HOLMESFIELD LOCAL MARKET – SEE YOU SOON!**

The next Holmesfield Local Market is not far away and, with holidays underway and the school summer break here, the market team thought it would be a good time to remind everyone to put the dates in their diary before life gets too hectic.

Although the team has been taking a well-earned break over the summer, our autumn and Christmas markets will soon be with us. The next markets will be held on **Saturday 3rd October** and **Saturday 5th December**, and we hope you'll be able to join us.

As many of you know, the market is about much more than shopping. Alongside creating a friendly community event, one of our main aims is to raise funds for local causes. Thanks to your continued support, we have recently been able to make a £1000 donation to St Swithin's Church to help with the purchase of new chairs. Every visit, every purchase and every cup of tea helps make these contributions possible.

We're always looking to bring new stalls alongside our established favourites, although attracting new traders isn't always easy. That's why we were especially delighted to receive a message from one of our newest stall holders entitled "A Big Thank You". He admitted that he had been rather doubtful about attending, but after the market he wrote:

*"It was a real pleasure to meet the hard-working, wonderfully supportive and kind team on Saturday."*

That was before he went on to praise the people of Holmesfield for making him feel so welcome and for supporting his stall so enthusiastically. He told us he had enjoyed a thoroughly worthwhile and enjoyable market day.

Comments like these are a real tribute to our volunteers and to everyone who comes along to support the market. Together, you make Holmesfield Local Market the special community event that it is.

**So if you haven't visited before, why not come along and see what it's all about?**

**The market is open from 10.00am until 2.00pm, and we'd love to welcome you.**

## **HOLMESFIELD CRICKET CLUB**

June proved to be another incredibly busy and successful month for Holmesfield Cricket Club, with 54 matches played across our senior, women's and junior sections, demonstrating just how active and vibrant the club has become.

With cricket taking place almost every day of the week, players of all ages represented Holmesfield in league, cup and friendly fixtures. From our youngest Under 9s through to our senior teams, the club continues to provide opportunities for everyone to enjoy the game while developing their skills in a welcoming environment.

The 1st XI continued to establish themselves as genuine promotion contenders, producing several excellent victories during the month, while the 2nd XI remained highly competitive despite facing some strong opposition. Our Sunday XI also enjoyed an excellent June, picking up a series of impressive wins to maintain their strong league position.

Midweek cricket has gone from strength to strength with our Midweek XI enjoying a successful run of fixtures, while our women's section continued to grow. The Hawks competed in both Softball and Super 8s competitions, recording some excellent victories and continuing to attract new players into women's cricket.

The junior section once again showcased the strength of Holmesfield's player pathway. Teams from Under 9 through to Under 19 were in action throughout the month, producing a host of outstanding performances. Several age groups enjoyed unbeaten spells, while many of our young players continued to make the transition into senior cricket, reinforcing the club's commitment to developing home-grown talent.

Just as importantly, June highlighted the incredible amount of cricket taking place at Holmesfield. With 54 fixtures in a single month, the club was bustling with activity on evenings and weekends alike, supported by a dedicated team of coaches, captains, scorers, umpires, volunteers and parents who make it all possible.

As the season reaches its halfway point, Holmesfield Cricket Club remains in a strong position both on and off the field, with competitive senior teams, a thriving junior section and an ever-growing number of people enjoying cricket at the club. Here's hoping for more of the same during the second half of the season.

Please come and support our village teams, everybody is very welcome.

## **JUNE-JULY 2026 WEATHER**

As I write this note on 20th July, our summer continues to be very warm. My weather station recorded a maximum temperature of 31.7°C on 26th June and 32.4°C on 10th July. The month of June as a whole was almost two degrees warmer than normal.

Rainfall for June was just below normal and we enjoyed 344 hours of bright sunshine. I found the mean temperatures for June to be remarkable in that every day until the 15th was cooler than normal, whereas every day from the 16th to the 30th was warmer than normal. In addition, almost no rain fell during the second half of June and this dry weather has, so far, continued into July.

The maximum of 31.7°C we experienced on 26th June was becoming uncomfortably warm for some of us. Paul Hudson, the Look North meteorologist, mentioned that the wet-bulb temperature was getting high. Physiologists often consider wet-bulb temperature to be the best single indicator of heat stress. As the wet-bulb temperature rises, heat stress increases. Once it approaches 35°C, even a healthy person resting in the shade can no longer lose enough heat through sweating to maintain a safe body temperature. Very few places in the world ever experience 35°C, but such wet-bulb temperatures can arise and are a threat to health, particularly for the elderly.

We lived in India many years ago and, when visiting Kolkata (Calcutta), the air temperature was 30°C and the humidity 90%, corresponding to a wet-bulb reading of 29°C, which was very uncomfortable. The term wet-bulb refers to the use of a normal mercury thermometer, with a glass bulb containing mercury and a thin glass stem through which the mercury expands as the temperature increases. Now, if a wet cloth is wrapped around the bulb, the mercury will cool as the water evaporates, in a similar way to how your finger feels cool if you wet it and then blow on it. However, if the mercury in the wet-bulb thermometer does not cool very much, it means that the humidity is very high and this makes us feel uncomfortable.

Our wet-bulb temperatures are very unlikely to reach 30°C. The highest air temperature that I have recorded over the last twenty-five years was 37.2°C on 19th July 2022, but the wet-bulb temperature was only 22°C. My Whitaker's Almanac for 1972 says that the record air temperature for the UK was 38.1°C on 22nd July 1868 at Tonbridge in Kent. The current record air temperature in the UK is 40.3°C at Coningsby in Lincolnshire on 19th July 2022, but the humidity was low, so the wet-bulb temperature was well below 30°C. By the way, Joseph Whitaker was a Victorian publisher, and his almanac was published yearly from 1868 until 2021.

## **FOOTPATHS**

The Parish Council have reported a number of footpaths that are currently not accessible due to overgrowth, crops, ruts and manure heaps. We hope that this will improve conditions for walkers. The route is just over 20 miles and the views from the high ground are terrific. Route conditions range from highly runnable trails and lanes to more involving single track and trods.

The route is largely unmarked although we do mark out a couple of the trickier navigation sections. We provide route notes and gpx files for you to download.

Additionally you may wish to bring your own paper map as back up and to aid with navigation.

Registration: 8am to 8.45am at Holmesfield Village Hall. Event start: 9am; event finish: 3pm

## HOLMESFIELD BYGONES

The Cordwell Valley was a popular destination for day trippers, especially for groups of various paternalistic organisations from nearby industrial towns. This group of visitors to the valley wearing their 'Sunday best' is captioned as I.O.G.T. which stood for the *Independent Order of Good Templars*, a temperance movement that promoted abstinence from alcohol and other drugs. *St. James Juvenile Temple* was formed in Sheffield in 1904 and this charming postcard was posted in Sheffield, August 1908.
