## **SPEEDING THROUGH THE PARISH**

Correspondence has been ongoing with Derbyshire County Council via Lee Rowley MP over the ongoing concerns of the speed of traffic travelling through the village, this has been evidenced by data from the Community Speed Watch, who have recorded speeds of up to 69mph in a 30mph zone.

Dronfield Police SNT were in Holmesfield on 24th November supporting local residents with their Community Speedwatch. In the 30 minutes they were there, a total of 21 vehicles were recorded as exceeding the 30mph speed limit outside Penny Acres Primary School.

As there have not been any accidents on the roads through Holmesfield and Millthorpe it does not meet the current policy of Derbyshire County Council to implement any changes in speed limits or introduce any traffic calming measures.

The matter is to continue to be pursued cc'd to our MP and County Councillor; and some exploration undertaken of the cost of installing suitable traffic calming signage.

## **RELIEF IN NEED AND PENNY ACRES TRUSTS**

Residents are reminded that funds are available from these ancient trusts for people over the age of 60 living in Holmesfield who may experience difficulty in paying for fuel during the winter months. Anyone who is eligible should write to the Clerk to the Trustees, Mrs Geraldine Austen at Greenways, Main Road, Holmesfield, Dronfield, S18 7WB (Tel: 2890686) for more details. All applications are treated in strict confidence.

The Trustees are also able to make 'one-off' grants for unforeseen capital expenses such as (for example) the payment required by the District Council to remove old goods. If you are faced with such a bill contact Mrs Austen and tell her about it. The Trustees want to help anyone who qualifies, but cannot if they do not know who would like help!

## **WINTER SNOW CLEARANCE**

Volunteers throughout the county are being called upon to help clear snow and ice from Derbyshire's roads and pavements this winter. Derbyshire County Council want to hear from residents and farmers willing to help keep their communities safe when bad weather hits.

Town and parish councils and other community groups are being asked to gather together local people to join the *Snow Warden Scheme*. For helping out, each council or group will get a free delivery of up to a tonne of bagged grit, training and advice on how to clear snow and ice safely, and specialist weather reports.

Farmers and others with ploughing or gritting equipment are being asked to help keep the county's roads on the move from now until next April. Anyone taken on as a contractor will get £200 for signing up - even if they are ultimately not required - plus extra payments for call outs. Snow wardens get involved in:

- *clearing snow and ice from their community's pavements*
- *reporting local conditions through our website*
- *reporting situations that affect vulnerable residents*
- *co-ordinating volunteers to clear snow and distribute grit*
- *reporting empty grit bins.*

Farmers and contractors need to:

- *provide their own equipment*
- *be available to work 7am to 7pm, Monday to Friday*  
– *although extra help may be requested if conditions are particularly severe*
- *arrange appropriate insurance*
- *be able to respond to a call out within 90 minutes.*

Councillor Simon Spencer, the County Council's Cabinet Member for Highways, Transport and Infrastructure, said:

"While it may seem early to be preparing for winter, especially with our recent stretch of very warm weather, the reality is it's not far off. We have to start planning now to make sure we have the right resources in place so we are ready when colder conditions arrive. We look after around 3,500 miles of roads and footpaths and grit around half of them. These include our major roads, routes where there is only one way in or out of an area, major bus routes and roads serving emergency services' bases. But we can't be everywhere, which is why our volunteers and contractors are an invaluable resource, particularly in our more rural parts. It's never too late to sign up to either of these schemes and I would encourage anyone who'd like to volunteer to get in touch as soon as possible."

Last year 71 town and parish councils helped clear snow and ice from pavements and footpaths. And for the 2017/2018 winter season, 50 farmers and other contractors helped protect their local communities.

To find out more information about the **Farmers and Contractors Scheme** and town and parish councils plus other community groups interested in volunteering for the **Snow Warden Scheme**, ring Derbyshire County Council on 01629 538074. ## **HOLMESFIELD GARDENING ASSOCIATION**

A big thank you to everyone who supported the Association's Pie & Pea supper last month. The entertainment was first class and the delicious food came from our usual supplier in Dronfield. There were many raffle prizes to win - all kindly donated by the members and it was a very good night indeed.

Our next meeting will take place on ***Wednesday 5th December*** at 7.30pm in Holmesfield Village Hall. The speaker will be Andrew Firth who will give an illustrated talk on *Christmas in the Dales*.

Committee members will be providing mince pies plus jam or lemon curd tarts for the members and guests.

Why not join us - we will be pleased to see you!

Our January meeting will take place on ***Wednesday 2nd January*** at 7.30pm in Holmesfield Village Hall and it will be a Quiz organised by our secretary, Gill Middleton. Please remember to bring a pen with you.

This is another meeting where we will be pleased to have guests join us.

## **HOLMESFIELD PENNY ACRES SCHOOL**

We are pleased to announce our new permanent Executive Head teacher for the federation of Penny Acres and Wigley Primary Schools has now taken his position at school and would like to take this opportunity to welcome Mr David Ratcliffe, this is an exciting time for the pupils and staff and we look forwards to the school achieving excellent results and recommendations in the future.

### ***Activities carried out at school during November included:***

During 'Anti-bullying week' the children developed their understanding and awareness of what bullying is and how best to deal with it. This also involved writing recipes for a 'good friend'. They were allowed to dress in spots and odd socks to mark this event and for Children In Need donating £1 per child for these charities.

The Infants have been busy making nests for birds using natural resources found on site. Creations showed flair, creativity and environmental mindfulness.

The Juniors welcomed Sarah Champion, Labour MP for Rotherham into school. She spoke about her role and the children were given the opportunity to ask questions. Questions were thoughtful and considered.

The Holmesfield Village hall played host to the PTFA fancy dress disco. This Event was very well attended with parents enjoying the night as much as the children and it was also used as a fund raising exercise.

Our partnership with the Qualitas sports organisation has continued to grow with a number of our KS1 girls attending a very wet and windy football event. (Monday 12th November).

All the children paid their respects during our teaching and learning activities focusing on the 100th anniversary of WW1, observing a two minute silence with the upmost respect and admiration for those that have lost their lives during conflict.

School also played host to Emma Ray, a representative from Derbyshire Environmental department. Emma spoke about the benefits of recycling on the environment.

As you can see school has been very busy since returning after half term and this will continue on the run up to Christmas.

### ***Future dates/events***

Dental hygienist visiting school – Thursday 6th December

School visit to Chesterfield Pantomime – early December.

Penny Acres Christmas production at St Swithins Church – Tuesday 18th December

School Christmas dinner – Wednesday 19th December

## **HOLMESFIELD CHURCH WALKING GROUP**

### **MOON INN WALK**

On **Wednesday 5th December** at 10am, Robin Greetham will lead a walk from the Moon Inn at Stoney Middleton. We will walk up to The Riley Graves then on to Eyam where we will stop for coffee in a cafe, returning back down a bridleway to the Moon Inn where we will have lunch (optional). The walk should be mainly mud free as we are walking mainly on bridleways. A short cut is available. The walk is approximately 4½ miles long.

The cost of the walk is £3 and the proceeds will go to Holmesfield Church maintenance fund. If you would like to come just turn up on the day.

Please phone Robin on 01246 412767 if you have any queries.

## **HOLMESFIELD BYGONES – CASUALTIES**

As the nation commemorated the 100th anniversary of the end of the Great War on Remembrance Sunday adds to the story of Holmesfield during the early 20th Century and offers greater recognition to those who served. The Holmesfield & District Family History Group in 2013, local newspaper reports at [www.britishnewspaperarchive.co.uk](http://www.britishnewspaperarchive.co.uk)

### **Private Vernon Woodward - 1st Battalion, Lancashire Fusiliers.**

Born in 1890 at Chesterfield - the eldest of 5 children to Walter and Lydia Woodward who lived at the George & Dragon public house. Vernon worked as a farm labourer before the Great War. Enlisted in Sheffield on 15th August 1915 and fought at Gallipoli, Turkey but died on 28th November 1915 - the first casualty of the Great War from Holmesfield and was 1 of 280 allied soldiers killed by ice and blizzard conditions (over 16,000 suffered frostbite). Vernon Woodward is 1 of 20,885 allied soldiers commemorated at the Helles Memorial in Turkey. He married his sweetheart - Lily Booker of Norton Lees on 31st January 1915 - Vernon would be dead before their 1st Wedding anniversary. For his service he was awarded the British, Victory and 15 Star war medals.

### **Private Ernest Tom Booker - 2nd Battalion, Lancashire Fusiliers**

Born in 1891 at Holmesfield to William and Anna Booker who lived at Holmesfield Post Office. All of their 7 sons served in some capacity in the Great War. William and Anna also had 4 daughters amongst their 11 children. Known as "Sam", he worked as a farm labourer at Woodthorpe Farm for the Hattersley family. Enlisted in Scarborough on 10th September 1914 and fought for a month with the Mediterranean Expeditionary Force at Sulva in the Dardenelles. From March 1916 he fought near Alexandria in Egypt but was sent home in July suffering from extreme diabetes and dysentery. Private "Sam" Booker died at home on 12th May 1917 from diabetes mellitus and exhaustion from military action. For his service he was awarded the British and Victory war medals.

### **Private Peter Ellis Booker - 2nd/6th Battalion, Sherwood Foresters (Nottingham & Derbyshire Regiment)**

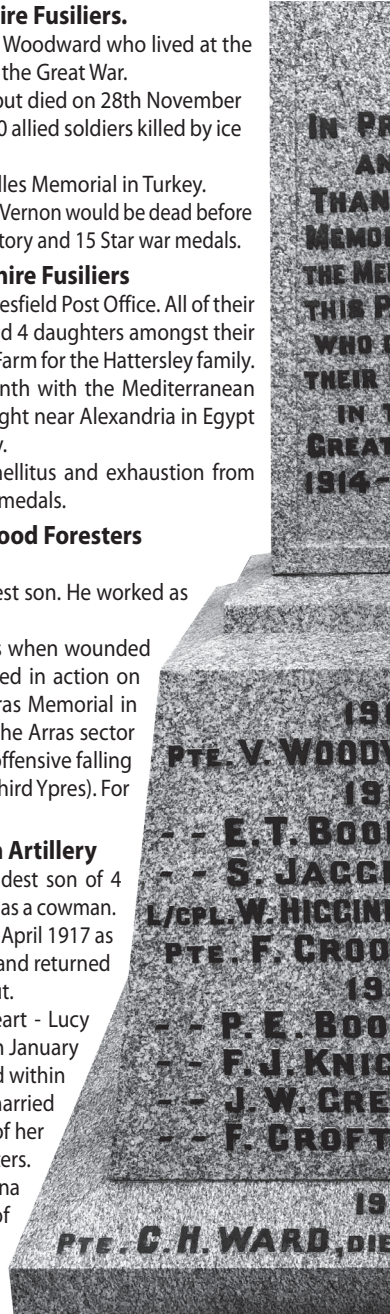

Peter was Sam's brother and born at Holmesfield in 1895 and the youngest son. He worked as an assistant woodman to the Duke of Rutland's estate in Ilkeston. Enlisted in Chesterfield, Peter had been fighting in France for 18 months when wounded by shrapnel in December 1917. After returning to the Front he was killed in action on 21st March 1918. Private Peter Ellis Booker is commemorated at the Arras Memorial in France - one of 34,785 allied soldiers with no known grave, who died in the Arras sector between the spring of 1916 and 7 August 1918. Arras was a major Allied offensive falling between the better known battles of the Somme and Passchendaele (or Third Ypres). For his service he was awarded the British and Victory war medals.

### **Gunner Sidney Jagger - 323rd Siege Battery, Royal Garrison Artillery**

Born in 1889 at Woolley, Yorkshire to John and Elizabeth Jagger, their oldest son of 4 children. The family moved to live at Woodthorpe Hall where Sidney worked as a cowman. Enlisted in Sheffield on 11th December 1915 and posted to France on 29th April 1917 as part of the British Expeditionary Force, he was wounded on 21st July 1917 and returned to action but was killed on 17th August 1917, shot in the head in his dugout.

Jagger married his sweetheart - Lucy Adlington of Norton on 25th January 1917 - but he would be dead within 7 months. Lucy never remarried and wore black for the rest of her life, living with 2 spinster sisters. He was laid to rest at Talana Farm Cemetery, Ypres - 1 of 529 graves. For his service he was awarded the British and Victory war medals.

## S FROM THE PARISH IN THE GREAT WAR

unday, it is appropriate to remember in more detail the village's war dead from this terrible conflict. It who paid the ultimate sacrifice. The information has come from *Neither Silent nor Faceless* published by *chive.co.uk*, and the family history site, *www.ancestry.co.uk*

### **Lance Corporal Willis Higginbottom - 16th Battalion (Chatsworth Rifles), Sherwood Foresters (Nottingham & Derbyshire Regiment).**

Born in 1892 at Whittington, Chesterfield to Alfred and Catherine Higginbottom, he moved to Cartledge Lane, Holmesfield and worked as a farmer.

Enlisted in Chesterfield on 17th May 1915 and posted to France on 6th March 1916 fighting at the battle of the Somme in 1916 where he was hospitalised with scabies, trench fever and influenza and sent back to England. He rejoined his unit on 14th February 1917 and fought at the Third Battle of Ypres but was killed in action on 26th September 1917. He was laid to rest at the New Irish Farm Cemetery, Ypres, Belgium - 1 of 4,716 graves. For his service he was awarded the British and Victory war medals.

### **Private Fredinand Crookes - Seymour Reserves of the 38th Battalion, Australian Imperial Force**

Born in 1890 at Horsleygate, Holmesfield to Joseph and Sarah Crookes and emigrated to Melbourne, Australia in April 1914.

Enlisted on 16th October 1916, posted to Belgium on 2nd September 1917 to reinforce the 38th Battalion of the 3rd Australia Division but killed in action on 31st October 1917. He was laid to rest at Levi Cottage, Ypres - 1 of 10 Commonwealth graves. For his service he was awarded the British, Victory and 14/15 Star war medals.

### **Private Francis James Knight - 2nd Battalion, Royal Irish Regiment.**

Born in May 1891 at Bodiam, Hastings, Sussex to William and Elizabeth Knight, the youngest of 7 children. Moved to Holmesfield and worked as a horse groom. Enlisted in Chesterfield in June 1915 and posted to France but killed in action on 21st March 1918 at the Battle of the Somme.

He is commemorated on the Pozieres Memorial at Somme - 1 of 14,657 allied soldiers with no known grave. For his service he was awarded the British, Victory and 15 Star war medals.

### **Private John William Gregory - 1st/5th Battalion, Sherwood Foresters (Nottingham & Derbyshire Regiment)**

Born in 1897 at Fanshawegate, Holmesfield to James and Hannah Gregory, the 5th youngest of 10 children and worked as a farm labourer.

Enlisted in Chesterfield and posted to France and on 22nd March 1918 was seriously wounded in both legs and suffering from the effects of mustard gas. He was to die of his injuries later that day. He was laid to rest in Lapugnoy Military Cemetery, Pas de Calais, France - 1 of 1,334 graves. For his service he was awarded the British and Victory war medals.

### **Private Frank Crofts - 11th Battalion, Durham Light Infantry**

Born in 1898 at Holmesfield to George and Sarah Crofts, the 4th youngest of 10 children and lived on Fox Lane, Holmesfield working as a labourer.

Enlisted on 16th September 1916 and posted to France on 12th December 1917 as part of the British Expeditionary Force, he was killed in action at the Somme battlefield on 23rd March 1918. He is commemorated on the Pozieres Memorial at Somme - 1 of 14,657 allied soldiers with no known grave. For his service he was awarded the British and Victory war medals.

His brother, Leonard Crofts, fought and survived the Great War.

### **Private George Henry Ward**

Born in 1896 at Holmesfield to Thomas and Edith Ward, the 3rd youngest of 6 children and lived on Holmesfield Common. He died on 23rd June 1922 from wounds sustained in action. Sadly his military records are lost.

## **APRIL 1915 NEWSPAPER REPORT**

This newspaper report from April 1915 shows that Holmesfield actually fared comparatively better than some towns and villages which suffered huge losses on an unprecedented scale.

Nine of its young sons died during the Great War (and 1 afterwards from injuries sustained from battle), yet 52

thankfully returned home to much celebration, though what must have been going through the minds of the bereaved of those soldiers not so lucky doesn't bear thinking about.

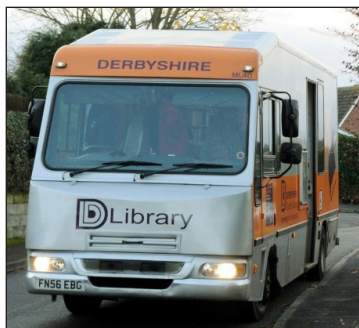

***We will remember them.***

### **WELCOME TO HOLMESFIELD SOLDIERS.**

Fifty-two soldiers who went out from Holmesfield were given a hearty welcome home. They were entertained to tea, and were afterwards each handed one guinea from Miss Madeline Bradshaw, who is serving in Q.M.A.A. Corps, and who inaugurated the Soldiers' Fund in Holmesfield. An entertainment followed, and games were heartily enjoyed by the guests. The Vicar, Rev. C. Bradshaw, presided. He knew all the lads personally, and they all held their Vicar in great esteem. He gave them a hearty welcome home. Mrs. Bradshaw, Miss M. Bradshaw, Major Wilson, and Mr. J. C. Wing also addressed the gathering, which was one of the most interesting ever held in the village

## **HOLMESFIELD NATURE SPOT**

The first real taste of Winter greeted us at the end of October and with it came a harsh frost which was the signal for wildlife to start feeding up for the coming Winter – a Winter we all hope will not be as severe as the last one in 2017, although cold Winters have traditionally benefitted butterflies who you will now find hidden in the thick evergreen leaves of ivy, or you may find them in your shed in a quiet corner if they managed to get in through an open window on a sunny day earlier last Month.

All animals and birds are taking full advantage of nature's bounty in the hedgerows. The berries are their lifeline so if taking sloes or rose hips, leave a few behind for the birds. Field mice are trying to find warmer surroundings, so you may see them in your garden or possibly a shrew. These live their lives at great speed – seeing an animal darting past you at great speed is the only clue they are resident unless you find their nests.

They are all storing up a Winter larder of nuts and berries. We don't seem to have a problem like most places with grey squirrels in our area as I'm sure they are controlled. In some areas they do great damage and are not cuddly creatures but damage tree bark and raid woodland bird nests.

It may look like the wildlife garden is not as active in these months but if you look closely and have left a patch of nettles uncut, or an area of vegetation, you may be lucky enough to see a tiny wren foraging on the spiders that are hiding there. This is the first month that the birds need feeding and I know many of you buy peanuts for them as well as fat-balls. Mealworms can be bought in the local food stores now.

Talking of butterflies, I went to a very interesting talk on them by Paul Selby, the butterfly man who identified the endangered white letter hairstreak living in the threatened Chelsea Road in Sheffield. He told us the blue butterflies we see around here sometimes have a symbiotic relationship with ants. They lay eggs on the birds foot trefoil plant and the ants take the eggs, hide them in their colonies and care for them so if the ant hills are destroyed, the butterflies are too. Our actions in nature can have a lasting effect on the environment which we maybe unaware of.

An addition you may like to consider to enhance your garden colour at this time may be to purchase a "British" grown ornamental apple tree – these are spectacular at this time, some with quite large apples and you have the added bonus of blossom in early Spring. Likewise a dwarf specimen of Rowan or Sorbus as they are known to benefit wildlife in the garden.

### ***A Project to Consider this Month.***

Those of you who have large gardens may consider installing tree sparrow nest-boxes on 2 metre high wooden posts at regular intervals to try and increase the

numbers of these sparrows which are now a rarity in the countryside, but luckily we have quite a large colony of them in and around the Woodthorpe Hall area where I have seen them nesting in the Barn wall near to the Public Footpath to Totley. We are fortunate that we have land owners who value our wildlife in the village. The sparrow itself can be found in flocks of house sparrows and has a distinctive dark patch on its neck and its flight is slightly different.

My other project is restoring an old barn in the village and increasing the number of very shallow ponds on the land for frogs, toads and other amphibians.

There are other autumnal shrubs that can be grown quite easily and berberis has a bonus in that the thorns deter intruders quite successfully. There are also Pyracanthas and Cotoneasters and you may see a flock of waxwings visiting them if we get an influx from Scandinavia – it all depends how productive their berry harvest has been. The best intruder proof bush or hedge bar none must be the Sea Buckthorn which has orange acid berries – you will see these on East Coast sand dunes – the sea berries are now considered a delicacy but be careful picking them as stout gloves are essential.

I've still noticed hoverflies around and the November weather seems to be returning to more stable temperatures at night but may be too cold for bats now, although I've seen some midges flying around water in the daytime – even after frosty nights.

This is the time we should be thinking of the coming Spring and what plants a wildlife gardener can incorporate into their gardens like fragrant daffodils and primroses and cowslips which grow very well here. All these will be bonus for the early flying bees and insects who need the nectar.

The BBC have two exceptional programmes, the first being the tried and tested formula of Monty Don's *"Gardeners World"* and the BBC 2 and BBC Scotland programme *"Beechgrove Garden"*. All of these programmes are available on BBC iPlayer. Monty Don is a self- confessed organic wildlife gardener and its cool nowadays to be interested in wildlife.

Schools like Penny Acres Primary School are teaching children about caring for and preserving the habitats for our village wildlife important as we have to consider the effects of climate change. These events will occur in their generation.

I would like to let you know that hedgehog boxes that you can now buy have been adapted so they deter badgers from entering the boxes. This has been a perennial problem in the past but the latest design has found a solution to it.

Well that's another Month on Nature Spot and if you have seen any unusual events in your garden, please email them to [ianpkassell@outlook.com](mailto:ianpkassell@outlook.com) and we will include it in the next Holmesfield Nature Spot.

## **OCTOBER 2018 WEATHER**

October was a great month for apples. I noticed several places in the village where people had bags of apples at the end of their driveways. Sadly, some of ours have finished up on the compost heap. Perhaps as a result of the fairly cold winter last year, the apples seemed to be without disease and that, coupled with the fact that we saw very few wasps around, resulted in an excellent apple crop.

Now the weather in October was typical for the month, with a mean temperature of 9.8°C which is very slightly below my average for the month. The 10th of the month was very warm at 21.4°C and we had two periods of strong winds that scattered the leaves around.

It was a fairly dry month with only 58mm (about 2 inches) of rain. Following the very dry months of May to August, I was curious to see how much water there was in the Ladybower reservoirs. The upper Howden reservoir was very low a few weeks ago and more recently, Ladybower was also very low, and the remains of the village of Derwent could be seen. The villages of Derwent and Ashopton were flooded by the construction of the Ladybower dam between 1935 and 1945. Derwent had a Church built in 1867 on the site of an earlier one, a pub, a school and Derwent Hall – built in 1672 in the time of Charles the 2nd. It is hard to imagine the tree lined lanes and stone cottages with scented gardens that were once here.

The vicarage was just on the edge of the current reservoir. The vicar of Derwent, Walter Rouse, had been there for 45 years and was allowed to stay, although he died in 1945 before the water reached his door and Derwent Valley Water Board then demolished the building. The Church spire was left standing initially but attracted so much attention much of it was removed in 1947 and then demolished in 1959. Derwent village has been exposed in a few dry summers 1959, 1976 and 1989. The remains of the Church and the foundations of Derwent Hall could be seen at the end of October this year.

So it was a fairly average October. It was dry but the total for the year, so far, is still about average because March was very wet. I assume that Ladybower levels are low because the reservoirs were unable to store the heavy rain at the beginning of the year.

*The Great War 1914-1918: Dronfield's Untold Stories*

Volunteers from the Dronfield Hall Barn Research Team have been hard at work for the past 12 months researching stories and discovering fascinating images that make up this exhibition. Residents of Dronfield have also kindly donated precious artefacts from the war giving a fascinating insight into how life was 100 years ago.

An interactive display further brings the exhibition to life. Hear narrated diaries from the War, view a timeline of events during the four year conflict, and research your own family members with our database. Artwork has also been provided by children from the local William Levick Primary School.

The exhibition has been made possible due to The Heritage Lottery Fund.

Please note that due to closures, the gallery will be closed at certain times to accommodate our regular community bookings. Without the funds that these necessary bookings bring, we would not be able to keep the Barn open and run our varied programme of events, so we thank you for your continued support and co-operation. Please make sure you familiarise yourself with the dates that the exhibition is open before you visit:

## **HOLMESFIELD EDUCATIONAL FOUNDATION**

Residents are reminded that this ancient village charity, dating back to the early 18th Century, has funds available to make grants to persons under 25 years old who are or whose parents are normally resident in the village. Grants may be made for or towards outfits, clothing, tools (including computers) instruments or books. Grants may be made for many other items or purposes which assist in promoting 'education' in its broad sense.

Please note that grants will not be given if purchases have already been made. Meetings are held on the last Wednesday in January, April, July and October.

For further information, those who may be eligible should contact the Clerk to the Charity, Mrs Geraldine Austen at Greenways, Main Road, Holmesfield, Dronfield S18 7WB (Tel: 2890686).

---

## **HELP WITH FUEL COSTS : HOLMESFIELD RELIEF IN NEED**

If you are over 60, a resident of Holmesfield, and need assistance with fuel costs, contact Mrs. Geraldine Austen at Greenways, Main Road, Holmesfield. S18 7WB (Tel: 0114 289 0686).

All applications are treated in strict confidence.

## SOMETIME

You will probably have the responsibility of making funeral arrangements. No one looks forward to this responsibility, but the death of a family member or friend brings with it an obligation that must be met.

There are people who can help you meet this responsibility. We have been helping people combine the different aspects of the funeral into a meaningful service for over 100 years.

John Heath's can help.
