DRONFIELD POLICE SAFER NEIGHBOURHOOD TEAM

Monthly crime figures for August 2026 (difference with July figures):

Violent crime against person: 0 (same as July), theft: 0 (–1), criminal damage: 1 (same as July), burglary 2 (+2), public order: 0 (same as July), vehicle crime: 0 (same as July), other: 1 (–2). Total: 4 (–1).

An update from your local Police Inspector

As we move out of the summer months, I wanted to take the opportunity to update communities across North East Derbyshire on the work your Safer Neighbourhood Teams have been carrying out across the area.

The teams have remained focused on tackling ongoing crime and anti-social behaviour (ASB) trends through a problem-solving approach, working closely with our partners to identify issues and deliver long-term solutions.

This proactive approach has contributed to an overall **26% reduction in ASB over the past 12 months**. Our officers continually review local data to identify repeat issues, enabling targeted action plans to be developed and implemented. As you may have seen from recent communications, this has resulted in a number of prolific shoplifting offenders being successfully dealt with and made subject to **Criminal Behaviour Orders**, helping to prevent further offending and protect local businesses.

The team has also been making use of the updated **Section 59 Police Reform Act** powers, strengthened under the **Crime and Policing Act 2026**. These changes mean that, where justified, vehicles can now be seized without the need for a prior warning. We regularly hear from residents that nuisance off-road motorcycles and e-bikes are a significant concern, and we will continue to utilise these powers, alongside other available tactics, to address these issues and improve community safety.

On 26 October 2026, Respect Orders will be introduced under the **Crime and Policing Act 2026**. I have already briefed local teams on these new powers to ensure we are ready to make effective use of them from day one.

Key Details of Respect Orders

Who they apply to: Adults aged 18 and over who engage in, or threaten to engage in, anti-social behaviour that causes harassment, alarm, or distress.

Who can apply for them: Local authorities, housing providers, and chief officers of police.

What they can do: Restrict repeat offenders from entering specific areas, such as town centres, prohibit certain behaviours including public drinking, and require participation in rehabilitation programmes such as drug or alcohol treatment or anger management courses.

Consequences of breach: Breaching a Respect Order is a criminal offence and can result in penalties including imprisonment, unlimited fines, curfews, or unpaid work.

Inspector Matthew Brown, North East Derbyshire Safer Neighbourhood Team

Crime prevention assessments are still being offered and PCSO Jonathan Flower is happy to attend homes to discuss crime prevention concerns. If you would like a visit, please email *jonathan.flower@derbyshire.police.uk* or ring 0773 498 5821.

HOLMESFIELD LOCAL MARKET RETURNS

One of the highlights of the Holmesfield calendar is nearly here, with the next Holmesfield Local Market taking place on **Saturday 3rd October** in Holmesfield Village Hall and St. Swithin's Church Hall from 10am until 2pm.

Regular supporters will know that the market is a great opportunity to catch up with friends and neighbours, browse a wide range of local produce and handmade goods, and perhaps find a few treats for yourself or start your Christmas shopping early. As always, there will be new stalls to discover, and many favourites offering everything from locally reared fine meat and beautiful breads to handmade pottery, jewellery, home baked dog treats and much more.

The market has always been about more than shopping. It is a chance for the village to come together, enjoy a cup of tea and a slice of cake in the J-Café, and spend a few hours catching up with friends and neighbours. Whether you come along to browse the stalls, meet friends or simply enjoy the atmosphere, everyone is welcome.

Importantly, the market also helps support the Holmesfield community. It is run entirely by volunteers, with proceeds helping to fund local projects and organisations. Every visit, purchase and cup of tea helps contribute to the village and the activities that make Holmesfield such a special place to live. Here is a photo of the lovely benches that the market helped to buy earlier this year. They are now installed in the Millennium garden for everyone to enjoy.

We are very grateful for the continued support of villagers and everyone who gives their time to help make the market happen. So please put **Saturday 3rd October** in your diary, invite a friend and come along to support your local market.

For the latest news about stalls and market updates, follow us on Facebook – just search for ***Holmesfield Local Market***.

We look forward to seeing you there!

Best wishes,

Aoife and Andrea

P.S. We are always looking for volunteers. If you have some time to spare and would like to help, please get in touch with the market team.

DRAFT NORTH EAST DERBYSHIRE LOCAL PLAN

A six-week public consultation on the draft North East Derbyshire Local Plan 2024 to 2044 will begin on Wednesday 7th October.

This consultation is the final opportunity for residents, businesses and other interested parties to submit formal comments before the draft Plan is considered for submission to the Planning Inspectorate for independent examination.

The Council has taken into account feedback received during previous consultations, including the Local Plan consultation in summer 2025 and the refined sites consultation earlier this year.

That feedback has helped inform the draft Plan alongside national planning policy requirements and the legal tests a Local Plan must meet.

Anyone wishing to have their views considered as part of the examination process should respond during the consultation period.

When the consultation opens, you'll be able to:

- View the draft Local Plan and supporting documents
- Access guidance on how to respond
- Find details of consultation events across the district
- Submit your comments using the required consultation form

The final decision on whether to submit the Plan will be made by Full Council after considering the responses received during the consultation.

This consultation, known as the *Regulation 19 Consultation*, is the final opportunity for residents, businesses and other interested parties to submit formal comments before the examination process begins. Anyone wishing to have their views considered by the Planning Inspectors does need to respond during this consultation period.

Responses will be submitted alongside the draft Plan to the Planning Inspectorate and will be considered by the Inspectors appointed to examine the Plan. The consultation uses a standard response form required by the Planning Inspectorate, and more information on this will follow when the consultation is launched next week

The Council appreciates the significant level of engagement during the first consultation in summer 2025 and the subsequent refined sites consultation earlier this year.

Feedback received through those consultations has helped inform the development of the draft Plan and has been considered alongside technical evidence, the requirements of national planning policy and the legal tests a Local Plan must meet as part of the examination process.

We appreciate that a lot of people responded to the earlier consultations, but it is very important that you respond directly to this final consultation if you want the opportunity to have your comments considered formally during the examination process.

Further social media and e-bulletins will be sent on the launch of the consultation.

These will provide information on where you can view the consultation material and how to make comments, along with details of consultation sessions where Council officers will be available to answer your questions on the content and status of the consultation and how to respond.

GLOW! : HOLMESFIELD YOUTH CLUB

So Glow! is back for a new term and we have already had some brilliant nights. Any child in Year 6 or above is welcome to come down and join in the fun!

We are incredibly lucky to be supported by the Extreme Wheels team who bring fantastic experiences down with them. This week was Lazer Tag which was loads of fun!

As well as that, Monday night saw us decorating (and eating) cup cakes, face paints, hide and seek and a tuck shop with prices from the 90's.

Over the next few weeks we will be creating tote bags, playing retro computer games, having karaoke and finishing the term with our Glow in the Dark party.

If you think your child would like to join Glow, please head down to St Swithin's Church Hall on a Monday evening from 6:30pm to 8:30pm.

HOLMESFIELD CRICKET CLUB – A SEASON TO REMEMBER

Pearsons lead the way as Holmesfield finish the season in style

What a finish to an outstanding season for Holmesfield Cricket Club. Both the 1st and 2nd XIs signed off their league campaigns with victories on Saturday 12th September, putting the perfect finishing touch to what has been a hugely successful year for the club.

And fittingly, it was the Pearson family who played starring roles in both victories.

1st XI – Division 3 North Champions

The newly crowned Division 3 North champions finished their season with a hard-fought victory away at Glapwell Colliery.

Batting first after being asked to do so, Holmesfield found themselves in serious trouble at 36 for 6. However, a superb recovery saw them reach 170 for 9 from their 45 overs.

Club captain Jimmy Pearson once again led from the front with a captain's innings of 33. Cameron Shaw contributed 25, Keyur Patel 23 and Nikhil Davies finished unbeaten on 24.

The Holmesfield bowlers then produced an excellent team performance to dismiss Glapwell for 145 in 39.4 overs.

Captain Jimmy was again at the heart of the action, taking an impressive 3 for 18 from his eight overs. Nikhil Davies also claimed two wickets for just six runs, while Mayank Sharma and Cameron Shaw took two wickets apiece.

The 22-point victory brought the curtain down on a remarkable league campaign. Holmesfield finished top of Division 3 North with 18 wins from 22 matches and 428 points, comfortably confirming their position as league champions.

It has been a season of remarkable consistency from the 1st XI, who have produced excellent performances throughout the campaign and thoroughly deserve their championship success.

2nd XI – Third place finish

The 2nd XI also finished their season on a high, beating Stanton by Dale by 81 runs at Holmesfield.

Batting first, Holmesfield posted an impressive 241 for 7 from their 45 overs, with another Pearson leading the way.

Just 15 years old, Albie Pearson produced a magnificent innings of 76. He was well supported by captain Ben Thornton-Walker, who scored 50, and Russel Parker, who contributed 49.

The Holmesfield bowlers then completed the job, dismissing Stanton By Dale for 160 in 36.1 overs.

Albie contributed with the ball as well, taking 1 for 22, while Oscar Westby produced an excellent spell of 4 for 10. Joseph Davey also claimed two wickets and Samuel Parker took two.

For Albie, the innings was another outstanding contribution to what has been a remarkable season. His 76 took him beyond 1,300 runs for the season, an extraordinary achievement for a 15-year-old and one that underlines the quality of young players coming through the Holmesfield system.

The victory ensured that the 2nd XI finished an excellent third in Division 6 North, with 12 wins from their 22 matches.

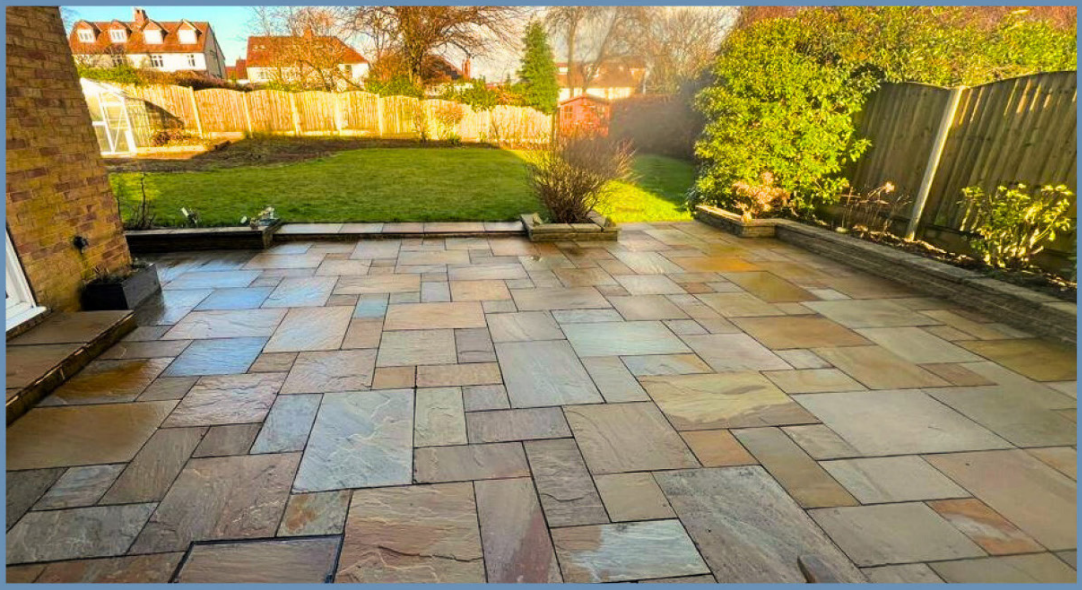

A season of success across the club

The achievements of the 1st and 2nd XIs are only part of the story, however. Across the club, 2026 has been a season to remember.

The Sunday XI secured their league championship with two matches still to play, following an outstanding campaign which saw them finish comfortably at the top of their division.

The Under 18s also enjoyed an excellent season, finishing runners-up in their division and once again demonstrating the strength of the club's junior section.

Indeed, the junior teams across all age groups have enjoyed an outstanding year. For a village cricket club, the number of youngsters playing and developing their cricket at Holmesfield is particularly encouraging and provides a very positive outlook for the future.

The club has also continued to develop its women's cricket, with both hardball and softball teams competing during the season. The softball side has welcomed many new players, several of whom were playing their first season of cricket, while the hardball team enjoyed an excellent campaign.

Looking to the future

While trophies and league positions are always something to celebrate, perhaps the most encouraging aspect of the 2026 season has been the strength and depth throughout the club.

There has been cricket for players of all ages and abilities, from those taking their first steps into the game, through to senior players competing for league titles.

The success of the senior teams, the achievements of the juniors and the continued growth of women's cricket demonstrate the importance of the club within the Holmesfield community.

A huge thank you is due to all the players, coaches, captains, scorers, volunteers, parents and supporters who have contributed throughout the season. Cricket clubs rely on an enormous amount of work behind the scenes, and the achievements on the field would not be possible without that support.

Two victories to finish the season, two league championships, a third-place finish, an outstanding junior section and a growing women's game.

2026 has certainly been a season to remember for Holmesfield Cricket Club!

AUGUST-SEPTEMBER 2026 WEATHER

When I wrote my last weather report, in the middle of August, I remarked that the very long stretch of warm weather appeared to be ending. It was indeed, and since then our weather has been rather mixed with a large drop in temperature and some much needed rainfall.

As a whole, the month of August saw fifty percent more than normal rainfall; in total almost five inches fell and almost half of this fell in a single day. Long spells of warm weather often finish with heavy rain and thunder storms. Between 11am and 2pm on the 27th August about two inches of rain fell, at one stage falling at a rate of three inches an hour, and on the evening of the 27th we had a spectacular thunder storm and some more rain.

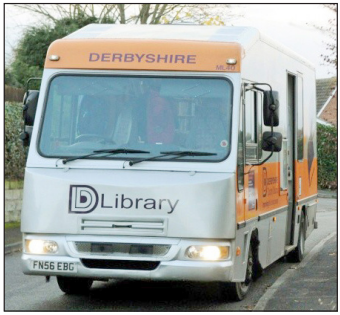

The water level recorded at Dronfield Dam on the River Drone rose by 4.25m (14ft) that day. Dronfield Dam is at Holmley Common; this is off to the right as you travel up the road from the traffic lights near the Coach and Horses towards Bowshaw roundabout. It was built about 25 years ago following severe flooding in Dronfield during the 1990s. It was said that these floods were the result of rapid rainwater run-off following the building of the Jordanthorpe and Batemoor housing estates. The 14ft rise at Dronfield Dam on the 27th August seems very high to me, but the long term record shows that the level rose by considerably more than that in November 2019. I looked up my rain gauge for the 7th November 2019, and it showed that more than three inches of rain fell on that day. Autumn 2019 was the wettest on record.

The river Drone is a very small river that, after flowing south for a few miles to Chesterfield, joins the Rother and flows north to become the Don, then the Ouse and finally the Humber. It only starts in Mickley, so it seems quite surprising to me that, after its first few miles, it can gather enough water to become a problem in Dronfield.

Even though the weather changed towards the end of August the average temperature was 16.7°C, which is one and a half degrees warmer than normal. The highest temperature that I recorded was 34.1°C (93.4°F) on the 13th of the month. The month also saw many more hours of sunshine than normal. It was the end of a very warm summer. I am writing this piece on 21st September, and so far, the weather has been pleasant with the promise of a further week of dry and warm sunny days to come. I have been surprised how quickly the lawns have recovered after the long warm summer. The grass seems to think that Spring has come early and it is growing rapidly.

HOLMESFIELD BYGONES (CAPTION TO PHOTO)

Harvest Festival has long been an important date in the village church calendar. The Harvest Festival that we know today was introduced in the parish of Morwenstow in Cornwall on 1st October 1843 by the Rev. Robert Hawker - who by all accounts was something of an eccentric, both in his clothes and his habits! He invited his Cornish parish to gather for a special service, giving thanks for a harvest of plenty and bringing gifts to share with those in need.

Because of the agrarian nature of society at the time, the idea quickly spread across the country and Holmesfield was no exception to this, though it is not known when the first harvest festival in our village actually took place.

As can be seen on the caption on this commercially produced postcard, this view of a specially decorated St Swithin's church was taken on 17th September 1905 and shows the efforts that took place to mark the special service with the abundance of floral decoration and a grand special slogan which can be seen beneath the more permanent - but only partially visible inscription - *"The House of God - the Gate of Heaven"*.
